LEONARD W. HALL

### County Volunteers to Elect Officers at Meeting Tonight

This evening at 8 o'clock delegates to the Ulster County Volunteer Firemen's Association will meet at Ulster Hose No. 5, Town of Ulster, firehouse on Albany avenue extension for their annual business session and election of officers for the ensuing year.

Saturday afternoon at 5 o'clock the parade, the spectacular closing of the convention will get under way promptly from the armory on Manor avenue. The line of march will be out Roosevelt avenue to Albany avenue to the Chambers School where the parade will disband. All fire companies arriving late will fall in at the rear of the parade.

#### Banquet, Show

Thursday evening was devoted to social activities with a banquet being served at the Lake Katrine school by the Ladies' Auxiliary of Ulster Hose Company No. 5 under the direction of Mrs. John Metrick, assisted by William Quick. There were 180 delegates served after which the session adjourned to the Chambers School where an exceptionally fine show was staged. Approximately 200 delegates were welcomed by President Alfrederick Kilmer.

Supervisor Percy Bush of the Town of Ulster welcomed the delegates on behalf of the town officials, saying that this was the second time the county convention had been held in the town and he had been supervisor of both occasions. In his speech of welcome Supervisor Bush likened the volunteer firemen to the Minute Men. He said they stood ready at all times to render aid to their fellowmen.

#### Cites Valuable Service

As a group they were local citizens bonded together to protect the property of their neighbor as well as their own. He referred to the valuable service which the volunteer firemen of Ulster county have rendered people of the county.

Supervisor Bush also referred to the recent action of the board of supervisors, who recognizing the importance of the group, had approved the Mutual Aid program and was now seeking specifications for a two-way radio system for the volunteer fire companies of the county to better assist them in the performance of their civic work.

#### Guests Attend

Among the guests attending the session Tuesday evening was Al Belle Isle, secretary of the Dutchess County Firemen's Association; Anthony Delisio, of the Division of Safety of the State of New York; Al Beatty of New Paltz, a past president; William Atkiss, past president of the Hudson Valley Volunteer Firemen's Association; and George Ohley, a director of the Hudson Valley Association. Winfred Snyder of Hurley, county fire coordinator, was also a guest.

### Hall Will Speak on Saturday

Party Parley Is Slated at 11 in City Auditorium

Leonard W. Hall of Oyster Bay, L. I., former chairman of the Republican National Committee, mentioned as a possible candidate for Governor of New York state in the next election, will be the principal speaker at the annual unofficial Ulster County Republican Convention Saturday morning at the municipal auditorium.

President Eisenhower reportedly said of Mr. Hall recently that he would be a very acceptable Republican candidate for the Governorship.

#### Will Nominate Two

Two candidates are to be nominated at the convention scheduled to start at 11 a. m. A reliable source said today that Lawrence D. Craft of Ellenville would be named to succeed himself as county clerk, and Francis J. McCordie, 99 Henry street, this city, to run for the county coroner's office he now holds.

Former State Senator Arthur H. Wicks, who spent 30 years in the State Legislature, will address the meeting as chairman of the Ulster County Republican Committee, and introduce the main speaker.

#### Impressive Party Record

He said today, "we are extremely proud and happy that Mr. Hall will be with us. I know he'll have a very important message."

Mr. Hall served as chairman of the Republican National Committee from April, 1953, to February, 1957. He is a former congressman from New York's Second District and surrogate judge in Nassau county.

Born Oct. 2, 1900, Mr. Hall attended the public schools of Oyster Bay and received both his Bachelor's and Law degrees from Georgetown University. After graduation he joined the New York law firm of Wise, Whitney and Parker and, in 1927, was elected to the New York Assembly.

While he was sheriff, he sponsored overdue reforms at the Nassau county jail and farm and his familiarity with the problems of these institutions led to later legislative efforts for statewide improvements.

#### Leader in House

During the next five years Mr. Hall became a legislative leader in the New York state lower house. When Representative Robert Low Bacon (R-NY) died during his 1938 campaign for reelection Mr. Hall ran for Mr. Bacon's seat. He was elected then and in every succeeding congressional election until elected surrogate judge in Nassau county in 1952.

For several years Mr. Hall was the ranking Republican member of the Select Committee on Small Business and was active in legislative affairs affecting civil aeronautics, regulations of interstate and foreign transportation, communications and related fields. When he left Congress in 1952 he was the third ranking Republican member of the Interstate and Foreign Commerce Committee. In the election of November 4, 1952, he defeated his Democratic opponent.

### Candidates Screened Rondout Valley Election Set July 16

Several candidates for the position of clerk of the Rondout Valley Central School were interviewed Thursday night at a special meeting of the board held at the Marletown Central School in Stone Ridge.

Selection of clerk and board officers will take place next Tuesday night as provided by law. At that time a president of the board, vice-president, tax collector, treasurer and clerk will be named. At the present time, Kevin Reynolds of Rosen-

dale is president and Harold B. Rich of Kerhonkson is clerk.

Among the names apparently being considered for clerk is that of Harold B. Rich, present clerk; Raymond Wilmet of Stone Ridge and Howard Larsen. It is indicated there may be other names considered.

It was said today that there is apparently no contest for selection of other offices other than clerk. The clerk to be selected will be on salary, which was stated today by an informant.

### President Signs Lower Homes Pay

Washington, July 12 (AP)—President Eisenhower today signed a housing bill authorizing lower down payments on FHA-insured homes and making an additional \$1,990,000,000 available for various housing programs.

In approving the measure, however, Eisenhower said that "unfortunately" it contains a number of very serious defects. He called for repeal of some provisions at the next session of Congress.

#### Is Double Request

Noting that the sum made available for housing programs is "more than double the amounts requested for these programs," Eisenhower said:

"Accordingly, I have given instructions to limit the use of the new authority provided by this act during the fiscal year 1958 (which started July 1) to amounts consistent with the over-all budget program."

Eisenhower's January budget proposal called for only \$1,025,000,000.

The bill's provision for lower down payments on housing carrying FHA-guaranteed mortgages is only permissive, and there was no indication in the presidential statement that Eisenhower was taking any action to put them into effect.

#### Asks FHA Order

The National Assn. of Home Builders had asked the President to give FHA orders on that point.

The lower down payments made possible by the bill are a

(Continued on Page 2, Col. 2)

### 'Enemy' Planes Launch Alert Throughout U.S.

Newspoint, Operation Alert, July 12 (AP)—Air raid sirens screamed a warning of approaching imaginary "enemy" bombers at noon EDT today to set in motion a nationwide civil defense and mobilization exercise, Operation Alert 1957.

The alert was flashed to 200 possible target points by the Federal Civil Defense Administration (FCDA), already operating under a make-believe "unlimited state of national emergency and threat of invasion."

Within a few hours, simulated nuclear attacks will have "blasted" more than half the industrial centers and defense installations out of existence with tens of millions of hypothetical casualties.

President Eisenhower and key aides were ready to leave Washington in a fleet of helicopters

for a secret emergency White House.

Already, in his imaginary proclamation, the President has declared an emergency, alerted military and civilian defenses, and created a top-level home-front war agency called the "office of emergency resources" to supervise price, wage, rationing, priority and manpower controls.

Key officials supervised the test operations from other secret headquarters and already this news operation center, dubbed "news-point" and located in a city to the south of Washington, was in operation.

Next week, after three days of emergency civil defense tests, more than 5,000 government officials and key subordinates will seek to re-establish normal government operations from 80 safe relocation centers in half a dozen states.

He'll Be 99 Saturday

EZRA GRIFFIN

### 'Live Happily' His Formula For Attaining Ripe Old Age

By DICK MCCARTHY

One year short of the century mark, Ezra Griffin, who will observe his 99th birthday Saturday, is firmly convinced that more persons would have an opportunity to attain the same age "if they lived happily."

Almost one hundred years of living have left Mr. Griffin with few wrinkles to crease his smiling face, a spontaneous sense of humor, alertness of step, and a definite philosophy on living.

#### Born in Log Shanty

Mr. Griffin, who makes his home with his daughter, Mrs. Harry Beatty and her husband on their Hurley avenue dairy farm near the city line, was born July 12, 1858 in a log shanty between Big Indian and Pine Hill "just a ways off Route 28."

"Never been out of Ulster county much," said Mr. Griffin, who has lived 19 years in Kingston. He retired in 1937 at 79 years of age after spending much of his life "railroading and carpentering."

#### Starts on Railroad

He went to work at the age of 20 on the old Ulster and Delaware Railroad as a brakeman and was employed in that capacity for 30 years.

(Continued on Page 16, Col. 2)

### Four More Taken in On Carpet

FitzGibbon Under Suspension Order In Separate Case

A thorough investigation of the city's police department was ordered by the Board of Police Commissioners yesterday as a patrolman was suspended, and developments following the arrests of two officers Wednesday on burglary charges, today led to the questioning of four other policemen for clarification of newly reported suspicions.

#### Relieved of Duty

A statement released today by Mayor Frederick H. Stang said that Special Officer Robert FitzGibbon, 24, of Colonial Gardens has been "relieved of duty" pending an investigation, separate from that involving the others.

District Attorney Howard C. St. John today said a full investigation will be made of reports that tend to involve four other regular patrolmen on the force.

The probe, he said, stems from the arrest Wednesday of Special Officer Gerard McCloskey, 29, of 40 Condie street, and Joseph Keller, 23, of 512 Delaware avenue, a regular patrolman, who were booked on charges dating back to an alleged burglary at the Montgomery Ward store last May 11.

#### Arrest Starts Shakeup

McCloskey drew notice Monday as the arresting officer in a reported burglary catch in the Livingston & LeFever wholesale house on Field court, but the incident took a new turn in police records after Wednesday's arrests.

Booked also Wednesday on a burglary charge was Edward Baines, 25, of 95 Green street, brother of one of the men held after the reported Field court burglary. Baines, authorities said, had taken a civil service examination for appointment as a patrolman, and his name was on a recently compiled eligibility list.

#### Details Await Findings

Authorities said they were forced to withhold details pertinent to the suspension of Officer FitzGibbon pending the outcome of a full investigation of a reported irregularity in the line of duty. The probe, they stressed has no apparent bearing on the investigations involving the six other policemen.

The full statement, released after yesterday's police board meeting at 3:30 p. m., after noting FitzGibbon's suspension said:

"The police board has directed the police chief to conduct an immediate and thorough investigation of the entire department.

#### Tours Changed

"A radical change was adopted with respect to the tours of duty. No officer will work the same

(Continued on Page 2, Col. 4)

### GI Confident Of Acquittal By Jap Court

Camp Whittington, Japan, July 12 (AP)—William Girard indicated today he doesn't dread a Japanese trial as much as members of his family back home in Ottawa, Ill.

Girard expressed confidence a Japanese court would acquit him on charges of causing the death of a Japanese woman on a military firing range.

The 21-year-old army specialist issued a statement to newsmen a few hours after the U. S. Supreme Court upheld the American government's decision to turn him over to Japan for trial.

#### Denies Differences

Asked whether he had any difference of opinion with his brother, Louis, in Ottawa on the jurisdictional fight waged in the case, William replied: "I don't think so."

Later he added, "My brother has never been in Japan and he doesn't think the way I do."

Girard was asked if he thought

(Continued on Page 16, Col. 5)

### \$8,000 Fair Premiums

County Event at Forsyth Aug. 21, 22

If all the classes are filled as they appear in the premium list of the Ulster County Fair, exhibitors will earn over \$8,000 in cash awards this year.

The 1957 County Fair will take place in Forsyth Park on Lucas avenue August 21 and 22. An unusual feature is that no admission is charged. A cordial invitation to attend is extended to everyone by the officers and exhibitors.

The Ulster County Fair is truly a cooperative venture which makes it possible to maintain the free admission. The vast amount of detailed work is divided between several agencies and organizations. The three departments of the Ulster County Extension Service, namely the 4-H Club, Home and Farm Departments, prepare the premium lists, receive entries and do the necessary bookkeeping. The Kingston Area Chamber of Commerce office handles the com-

mercial exhibits. The physical work of preparing for the Fair is done by volunteer workers.

The Fair is sponsored by the Ulster County Agricultural Society. The officers are C. C. DuMont Jr., of Ulster Park, president; Pratt Boice of Kingston, treasurer and Albert Kurdt, manager of the Kingston Area Chamber of Commerce, secretary. Volunteers serve as department superintendents.

Further details regarding activities in the various departments will be announced in the near future. Commercial exhibitors are invited to inquire about space rental. The only income to pay the necessary expenses is derived from exhibitors' entry fees, limited to 10 per cent of the premium, and from commercial exhibits and concessions. It is strictly an agricultural fair without the usual midway found at all other fairs. A crowd of at least 10,000 persons is anticipated.

MAKING YOUNGSTERS LAUGH—Visiting the Children's Home Thursday evening, this funster from Al Krom's Hell Drivers show gives the little folks a good laugh and treats to refreshments. Tonight he'll caper at the crash

show sponsored by Ulster Hose No. 5 in Dietz Memorial Stadium to help defray expenses of the Ulster County Volunteer Firemen's Convention. (Anner photo)

## Napanoch

Napanoch, July 12 — Robert Eck who has been attending the Oakwood Bible School near Poughkeepsie has returned home.

Mr. and Mrs. Clement Zeiss of Florida, N. Y., were callers on Mr. and Mrs. Herbert Daniels recently.

Blanche Wright, Kevin Rogan and Francis Irwin will attend the Republican caucus as delegates in Kingston Saturday.

Mrs. Mechler of Hoboken, N. J., has been visiting her son Mrs. George Mechler.

Dr. and Mrs. George Curry of Flint, Mich., have been enjoying a week with Mrs. J. Frank Curran.

Mrs. Joseph Cullen of Gambier, O., has returned home having been called here by the illness of her mother.

Miss Connie Galloway has been enjoying a week with friends in Tivoli.

Mr. and Mrs. Roland Bunting visited friends and relatives at Union, N. J., for a few days recently.

Mr. and Mrs. William Coombs and daughters have returned home after visiting friends and relatives at Penn Yan for a week.

Mrs. Emily Burton was a visitor in Kingston Tuesday.

Mrs. Chester Young suffered an injury recently in a fall.

Frank C. Bilyeu will enter Benedictine Hospital Sunday for an operation.

## Water Rents Due

The local water department today issued a reminder that water rents are now due. The office is open through the week to 4 p. m., and is closed on Saturdays.

## DIED

**McCUE**—After a lingering illness, July 12, 1957, Robert McCue, of 37 Elmendorf street, Entrusted to the care of the Sweet and Keyser Funeral Service, 167 Tremper avenue, where the Rev. Olney E. Cook will officiate on Saturday at 2 p. m. Relatives and friends are invited. Interment in Wiltwyck Cemetery. Friends may call this evening from 7 to 9 p. m.

**LOCKWOOD**—Entered into rest Friday, July 12, 1957, Roscoe Lockwood, of Stone Ridge, N. Y., husband of Dorothy Van Vleet Lockwood and father of Melvin Lockwood.

Funeral arrangements will be announced later by the Jensen & Deegan Funeral Home.

## Memorial

In loving memory of our mother, Mrs. Ruth Buley, who passed away one year ago today, July 12, 1956.

You are gone away from us just one year ago today. But you are in our hearts to stay. For we'll always say there is no other who can take the place of you dear mother.

Signed: DAUGHTERS—Mrs. Norman Vedder Mrs. Paul Maggione

## Memorial

In loving memory of my dear mother, Mrs. Ruth T. Buley, who passed away 1 year ago today, July 12, 1956.

## Mother

To one who bore the sweetest name and added luster to the same.

Who shared my joys and cheered when sad.

The dearest mother one could ever have.

For there will never be no other to ever take the place of my dear mother.

Your loving memory is with me both day and night.

My heart is broken and I am lonely to have you here I'd give the world.

May you rest in peace and quiet forever more.

For some day we shall meet and my life will be again complete.

Loving Daughter,  
MARIE E. HEINS

## World News in Brief

### Agree on Rights Vote

Washington, July 12 (AP)—Southern Democratic senators tentatively agreed today to permit a vote the middle of the next week on a motion to take up formally the controversial civil rights bill.

Their spokesman, Sen. Russell (D-Ga.), said he was authorized to work out details with Republican Leader Knowland (Calif.), sponsor of the motion, and Democratic Leader Lyndon B. Johnson (Tex.).

Earlier Johnson told newsmen he hoped agreement could be reached by all sides for a vote either late Tuesday or early Wednesday.

### Expect Nasser Move

Washington, July 12 (AP)—Some U. S. officials say that they expect Egypt's President Gamal Abdel Nasser to announce some new, possibly sensational Middle East move in a speech to his people set for July 23.

It was under similar circumstances at about the same time last year that he announced

Egypt's seizure of the Suez Canal.

Some authorities believe that Nasser this year may demand that United Nations emergency forces leave his soil, or that he may announce a blockade of the disputed Gulf of Aqaba with submarines bought from Russia.

### Scouts Open Parley

Valley Forge, Pa., July 12 (AP)—America's Boy Scouts today officially opened their fourth national jamboree.

With red rockets bursting in air and a band playing the stirring martial tune "Colors" four eagle scouts hoisted Old Glory on a 60-foot pole.

### Fewer Traffic Deaths

Chicago, July 12 (AP)—A nationwide campaign on traffic accidents was credited today with saving the lives of 400 persons in the first six months of 1957.

A special report of traffic deaths at the halfway mark in the national safety council's "back the attack on traffic accidents" campaign disclosed a 2 percent reduction in fatalities at the end of June as compared with the first half of 1956.

## President Signs

minimum of 3 per cent on the first \$10,000 of appraised value, 15 per cent on the \$10,000-to-\$16,000 segment, and 30 per cent above that.

The present requisites are at least 5 per cent on the first \$9,000, and 25 per cent above that. Thus the down payment on a \$15,000 home could be cut from \$1,950 to \$1,050.

### Fund Discrepancy

The \$1,990,000,000 carried in the bill is new obligatory authority for housing the treasury might have to meet. Experts in the housing and home finance agency say that actually it will provide \$1,675,000,000 of new funds for housing construction.

The discrepancy comes in the funds for secondary market mortgages purchases by the federal National Mortgage Association. These purchases provide lending agencies with new funds to enable home building to continue even when private sources have dried up.

### Increase Capital Stock

The bill increases the capital stock of FNMA by 65 million dollars; this stock is subscribed by the Treasury.

However, FNMA is able to buy \$10 of mortgages for each \$1 of capital stock, so the bill actually will increase its mortgage purchase authority by 650 million.

At the same time, the measure carries 900 million dollars in Treasury backstop money for FNMA. This means the agency could draw on the Treasury for that amount to buy mortgages if it cannot for the moment raise money in the usual way through sale of private debentures.

Thus the total impact of the bill on the Treasury could be \$655 million — the 900 million backstop plus the 65 million of new capital stock.

### Reports Injury

Joan Weick, 19, of 6 Cottage Row reported a stomach injury as the result of a two-car mishap at Hasbrouck avenue and East Chester street yesterday. A police report at 6:32 p. m., said the collision was between the panel truck of Charles M. Cole, 47, of 35 Smith avenue, and the car of Ruth Weick, of 6 Cottage Row, driven by Joan Weick. The truck had stopped to let a car in front pass and was struck by the other vehicle, the report said. The Weick car was towed from the scene.

### Held on Firearm Charge

Gertrude C. Linck, 22, Phoenicia, was arrested by state police Wednesday on a charge of illegal possession of a firearm in violation of Section 1897 of the Penal Law. Before Justice of the Peace William P. Malloy she waived examination and was held in \$250 bail for grand jury action.

## To Meter Water

when the water main from the reservoir is cleaned every two years.

Plans for this project are to be prepared by Bogert & Childs, of New York, the department's consulting engineers, and it is hoped that the vaults can be built before Sept. 1 to permit rebuilding of the street as scheduled.

### Heaviest Consumption

Edmund T. Cloonan, department superintendent, reported that last month's water consumption in the city was "one of the highest in the history of the department." It averaged more than 7,000,000 gallons a day, he said.

Consumers, he noted, were about 90 per cent co-operative in observing the schedule established by the department for the sprinkling of lawns and gardens.

### New Homes Equipped

In preparation for its universal metering program the board last March adopted a measure requiring the metering of all new installations, including those in private homes.

Metering of all city taps, Cloonan said, had been proposed by Bogert & Childs as far back as 1925. He also noted that Kingston is one of the few cities in the nation which does not have full metering of water service. Between 80 and 90 per cent of the country's cities, he said, are 100 per cent metered.

### Two Cars Collide

Jennie Groves, 153 North Manor avenue, lost control of her car yesterday afternoon at Glenclere, according to state police, and her car and that of Robert Cross, 37 Albany, traveling north collided. The Groves car, traveling south, went off the west shoulder and then back on the roadway colliding with the Cross car. There was no injury and no arrest. Property damage resulted. The time was 3:55 p. m.

### Swim Costs Her \$5

It cost Margaret Kloepping, 45, of 114-41st street, Union City, N. J., \$5 for a dip in the Ashokan reservoir yesterday. She was arrested by County Investigator Arthur H. Brown on a charge of bathing in the New York city waters in the town of Hurley. Later before Justice of the Peace Roger H. Loughran she paid the fine.

### Pictures Cause Row

Knoxville, Tenn., July 12 (AP)—A bitter controversy exploded in U. S. District Court today over pictures taken by Time and Life magazine photographers of the Clinton desegregation disturbances last fall. Defense attorneys, questioning a photographer, said: "They (the magazines) slanted their pictures to lower and degrade these people."

## Local Death Record

### Frank A. Brown

Funeral services for Frank A. Brown who died in Albany Tuesday were held at 10 a. m. from A. Carr & Son, 1 Pearl street. The Rev. Arthur E. Oudemool, pastor of Old Dutch Church, officiated. Burial took place in Old Hurley Cemetery.

### Mrs. Bessie Lewis Campradt

Mrs. Bessie Mae Lewis Campradt, 58, of Stoneville, N. C., died July 7 at the Baptist Hospital, Winston-Salem, N. C., following a short illness. She is survived by two sons, Walter B. Lewis of Kingston and Willie B. Lewis, Stoneville, N. C., a brother, Posey Roberson of Patrick Springs, Va. Four grandchildren also survive. Funeral services were held at the Ray Funeral Home, Madison, N. C., July 9. Burial took place in Patrick Springs, Va.

### Robert McCue

Robert McCue of 37 Elmendorf street died this morning after

## Full Probe . . .

shift continuously nor the same post."

The investigation, Chief Raymond VanBuren said, will be conducted by Deputy Chief Robert F. Murphy under the chief's supervision and with the cooperation of local detectives.

### DA Continues Probe

Names of the four regular patrolmen under investigation must necessarily be withheld pending arrival at tangible results in the probe, District Attorney St. John said. The investigation was to continue throughout the day, he indicated.

FitzGibbons has been a special officer since Sept. 30, 1956.

McCloskey, who was arrested with Keller and Edward Bainewski Wednesday, was a special since 1954, with the exception of a brief absence while he was in the south. Keller, who was appointed as a special officer in April, 1955 became a regular patrolman in June of that year.

### Held for Grand Jury

The two, who had been under suspension since the night before their arrest, handed their resignations to Chief Van Buren Wednesday morning. They and Edward Bainewski, waived examination before Special City Judge Harry Gold Wednesday morning and were held to await grand action.

Leo Bainewski, 22, of 83 Green street, brother of Edward, and Frank Szymanski, 34, of Elmendorf Heights, are due in city court Monday. They pleaded innocent after their arrest last Monday to charges listed in conjunction with the reported burglary at the Livingston & LeFever building. They are represented by Attorney Sherwood E. Davis.

### Start Talking

It has been indicated unofficially that the arrests Wednesday resulted in statements obtained following the arrests Monday. It has also been indicated that Leo Bainewski and Szymanski are ready to claim that they had been used for the personal gain of a police officer.

### District Attorney St. John

has indicated that investigation is continuing to obtain further details in conjunction with the incident in the Livingston & LeFever building, and to determine if any other reported burglaries are involved.

A police report at 12:53 a. m., Monday said Officer McCloskey was inside the Livingston & LeFever building and "someone else" was in there. It noted that he had locked himself and two others inside.

Several officers were dispatched there, and it was reported back to headquarters that a man was caught and was being brought back. Officer Gilbert Gray next called to report that a second man was caught in the building.

A report said that items such as razor blades, playing cards and tooth paste, valued at about \$200 had been "stacked" as if ready to be removed.

The building was reported entered in June, but nothing of value was reported missing. Police said some guns, T-shirts, shorts and a car battery were reported missing from the Montgomery Ward store after the alleged May 11 burglary, but the total value of the items had not been determined.

### Kills Son, Self

Lake Geneva, Wis., July 12 (AP)—A prominent Lake Geneva physician, possibly breaking under the strain of the mental illness of one of his twin sons, shot and killed the son last night and took his own life with the same gun. The victims of what Dist. Atty. Erwin C. Zastrow described as murder and suicide were Dr. Charles J. Brady, 53, and his son, John, 20. The father and son dined together at a restaurant last night. The shooting occurred after they returned to the family's fashionable home which also housed Dr. Brady's office. Brady's other son, Charles, and the physician's wife, were in another part of the house at the time.

### Layoffs Imminent

New York, July 12 (AP)—Mass layoffs are reported imminent as the supply of cement for metropolitan New York's 400-million-dollar-a-year construction industry approaches the vanishing point. Peter W. Eller, chairman of the board of the Building Trades Employers Assn., said: "If there is any cement, it is in negligible quantity. Provided there is no settlement of the (national) cement mill strike to permit a flow of cement into the city, we will be shut down in a week to 10 days."

### Draws Maximum Term

Buffalo, N. Y., July 12 (AP)—Frank R. Coppola, said to have been leader of a gang of holdup men, has drawn a maximum sentence of 20 years for the \$52,529 robbery of a Buffalo bank last year. The 24-year-old Niagara Falls man was convicted last night by a Federal Court jury after a seven-day trial. Sentence was imposed immediately after by Judge Stephen W. Brennan.

### Marines Open Parley

Buffalo, N. Y., July 12 (AP)—Marine veterans opened the 27th annual convention of the Marine Corps League, New York State Department today. About 800 delegates, including members of the Women's Auxiliary, were registered here for the three-day affair. National Commandant William Derderian of New Britain, Conn., headed the list of honored guests.

### Given Five Days

Joseph Simmons, 51, of 8 Third street, New York city, was arrested Thursday at Pine Hill by state police on a disorderly conduct charge and before Justice of the Peace Edward France was given five days in jail.

## Financial and Commercial

New York, July 12 (AP)—Motor shares rose but aircrafts fell in an irregular stock market early this afternoon. Trading was moderate.

Key stocks showed plus or minus signs ranging from fractions to a point or so. Specialties continued active and fluctuated more widely.

Pre-weekend caution was prevailing, brokers said, after the market's gyrations earlier this week when new highs for 1957 were reached on two sessions.

The aircrafts were adversely affected by air force cancellation of further work on the Navaho intercontinental missile.

Reports of increased production at Detroit helped the motor shares, analysts reported.

### Ex-General Now Priest

Iron River, Mich., July 12 (AP)—Brig. Gen. Lester J. Maitland, who quit as Michigan's Civil Defense director to study for holy orders, today becomes a priest in the Episcopal Church. The 58-year-old soldier who won medals flying warplanes will be ordained into the priesthood at St. John's Church in this upper peninsula community he has served as a humble vicar for the past two years. He was ordained a deacon last December after serving as a lay minister.

## Hot Weather Outlook

(By The Associated Press)  
More collar-wilting weather was the unwelcome outlook for most of the nation today. Hot-weather of the season clung to many areas and high humidity added to the discomfort. Some temporary relief came in the form of showers to some sections. Temperatures were around normal levels in a few areas—the Pacific northwest, Michigan's upper peninsula and the extreme northeastern section of the country.

### Beginns Jail Term

Albany, N. Y., July 12 (AP)—Peter J. Postma, still protesting his innocence, began serving a four-year jail sentence yesterday for conspiring to extort \$11,000 from truckers to settle a strike while he was business agent of a teamsters union local. The 50-year-old Postma surrendered at the U. S. marshals' office at the same time as Joseph P. McCann, 54, a trucker convicted in the conspiracy who is to serve 18 months.

### Two Speeders

One of two drivers charged with speeding was fined \$20 in city court today and the other forfeited \$20 bail. Ronald Alex Ponchak, 18, of Glenale, arrested at 2 a. m. on Broadway by officers Benjamin Osterhoudt and Harry Tempelaar, paid the fine. Thomas J. Liguore, 41, of Stahlman Place, arrested on East Chester street yesterday by officers Albert Hutton and Frank Monte, forfeited bail.

### Held for Assault

Joseph P. Bohan, 28, of 48 Broadway, was arrested on a third degree assault charge at 12:20 a. m., today. Police said the arrest was on complaint of Judith Ann Scism, whose address was not given. Special City Judge Harry Gold today put the case over to Tuesday.

### New Refugee Head

New York (AP)—David R. Salmon of New York has been appointed director of the Lutheran Refugee Service, succeeding Dr. Cordelia Cox under whose direction more than 55,000 persons were resettled in the United States. Salmon, a training and public relations consultant, is a member of the President's Committee on Employment of the Handicapped and former executive director of the National Council of Rehabilitation. Dr. Cox resigned to accept a post with the Lutheran Welfare Council in New York.

### Today's Lighting Problems

Have you thought how important lamps are to your living room and bedroom? Not only do they afford needed light, but they enhance the beauty of your draperies and upholstery, the patina of old woods; they can maintain your color schemes. Most living rooms and most bedrooms need at least five lamps to create focal points of interest and give rhythm to the entire setting.

At the Accord Furniture & TV Mart—the store with ten large show windows on Route 209 in Accord (just a short drive from Kingston), you will find a multitude of lamps of all types and in all price ranges. There are lamps made here in the East, lamps from California, and lamps imported from Europe. Floor lamps, bridge lamps, student lamps, hanging lamps, TV lamps, torchieres, and all styles of table lamps—traditional, colonial and modern. In short, a lamp to please everyone.

Visitors are welcome to browse through the Mart showrooms and see the displays of lamps, name brand furniture, rugs, mirrors and pictures. All at guaranteed lowest prices. Budget terms arranged. Free decorating assistance. Hours are 9 to 5:30 daily, Saturdays to 7, and evenings by appointment—call Kerhonkson 2711. Closed Wednesdays during July and August.

## Learn More About Asia Is Message Of Mrs. Roosevelt

Mrs. Eleanor Roosevelt stressed the importance of learning more about Asia and other foreign countries in an address to the students and faculty at the State University Teachers College, New Paltz, Thursday morning.

Invited to speak in connection with the senior citizens workshop and the seminar in teaching about Asia, two special courses being conducted on the campus this summer, Mrs. Roosevelt pointed out that since the Suez Crisis the United States has been placed in a position of tremendous responsibility. "In a democracy," she said, "the people must take the responsibility for what happens in their government."

### Basis for Decisions

She further emphasized that the people need to know more about the world in order to make responsible decisions.

Addressing some of her remarks to the retired teachers in the audience, Mrs. Roosevelt said, "We who are older should be putting a lot of our leisure time to work being more useful to the younger generation and to impart an understanding of

the world. Every segment of the population should be made aware of this responsibility."

### Tells Experiences

In the afternoon, Mrs. Roosevelt spoke to some 30 students who are participating in the seminar in teaching about Asia and told them of her experiences during her travels in Asian countries. She also visited the college's world study center which contains many volumes about numerous countries.

The senior citizens workshop, entitled "Avocational Fortnight," has nearly 50 retired teachers participating in a two-week study program under the direction of Robert Decormier, Poughkeepsie, president of the New York State Retired Teachers Association.

### Delayed Sentence

## Today's Business Mirror

By SAM DAWSON

EDITORS' NOTE: Can creeping inflation be stopped? And if so, how? In the following article, the last in a three-part series on inflation, Sam Dawson, Associated Press business news analyst, discusses the various proposals for halting the shrinkage of the dollar.

By SAM DAWSON

New York, July 12 (P)—Inflation is damned by almost everyone today. But what to do about it, if anything, splits American thinking wide open.

The nation's money managers say tightening the screws on credit and making money costly to borrow is about to do the trick. But home builders and small businessmen say this threatens to ruin them and could trigger a recession. And some others hold that expensive borrowing just pushes up business costs and helps inflate prices.

### See Natural Correction

Many economists in government and in industry say a natural correction of inflation is already in sight. Let 'em alone, they say, and soaring prices will cure themselves because consumer resistance will shrink demand. That will cut back work in the factories and service trades and take a lot of steam out of labor's wage demands.

The business expansion boom also means that in time there will be even more capacity to produce—maybe too much for awhile—and that will increase competition and check price rises.

### Needs Starter

Statesmanship on the part of management and labor could end inflation, President Eisenhower says. But others ask: Who is going to start this? And if there are unstatesmanlike holdouts, how can the conformists meet this competition?

The President reminds industry and labor now and then that another solution would be to reinstate direct wage and price controls. Many economists, however, challenge the effectiveness of these in practice, and Congress is definitely hostile to any such unpopular move in peacetime.

### Point to Taxes

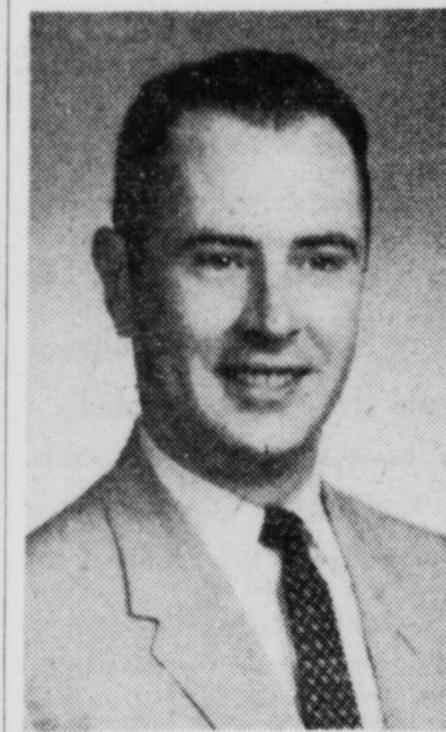

A few insist that a cut in taxes could help halt inflation. They argue that it would make for more risk capital, leading to more production of consumer and capital goods to match the amount of money and credit now in circulation—which they say is higher than ever, no matter how tight money may seem. It's the swollen demand for credit they blame now. More risk capital would take some of this pressure off the credit supply.

There is a sizable and vocal group who believe that the creeping variety of inflation won't hurt us—so long as it doesn't stand up and run. They argue that if prices and wages rise only 2 or 3 per cent each year, the effect will be slight, and preferable to running the risk of a business slowdown and unemployment which deflation might bring.

### Opposite Extreme

At the opposite extreme are the economists who think the

## Is First Local Phoenix Mutual Representative

ROBERT J. RYAN

Robert J. Ryan of 39 West Chestnut street has been appointed resident Kingston area representative of the Phoenix Mutual Life Insurance Company of Hartford, Conn.

Mr. Ryan is the first Kingston representative of the company, which for 94 years has been serving the Kingston area from its Albany office. John H. Clyne, CLU, Albany manager of the company, said that the rapid growth of the Kingston area, and the growth potential for the future had made it imperative that Phoenix Mutual have a Kingston representative.

Mr. Ryan who graduated from Siena College at Loudonville in May of this year has been at the Phoenix Mutual Home Office at Hartford, Conn., and has completed the company training course.

Mr. Ryan is a native of Kingston and graduated from Kingston High School. He is the son of Mrs. C. L. Gannon and the late William D. Ryan and is married to the former Elizabeth M. Dwyer of Kingston. He is a veteran of four years of active service in the U. S. Navy and is a member of Kingston Council, 275, Knights of Columbus.

## Rosendale Town Gets \$750 for Rec. Program

The Town of Rosendale has been allocated \$750 in state aid for a recreation project for a 12-month period, the New York State Youth Commission announced today.

An application for state aid submitted by Supervisor George Mollenhauer indicates that the town will spend a total of \$1,500 during the year to provide a recreation program. Activities to be provided include swimming, craft classes, movies, archery, badminton, games, relays and contests.

Facilities to be used include Tillson Elementary School and playground, DeWitt Lake and Spring Lake skating rink.

The agency responsible for the conduct of this program is the Board of Trustees of which Kenneth Wakeley is chairman. Director of recreation is Ernest Hopper.

KINGSTON, NEW YORK, JULY 12, 1957

'These Days'

By GEORGE SOKOLSKY  
UNEXPENDED BALANCES

When it comes to spending other people's money, everybody is generous. Congress is usually particularly generous because the citizens want so much, seldom realizing that it is their own money that is being spent. They, the citizens, all complain about high taxes but they would like their special little items added to the budget, failing to recognize that huge totals grow from the accumulation of little items.

So we come again this year, as we have been forced to every year at about this time, to ask questions about unexpended surpluses. This is an amount of money previously appropriated but which was not used, and which many departments have learned how to manipulate so that the amounts remain on hand. Nevertheless, the citizen is taxed as though the departments were operating at a deficit. Every unexpended balance should be accounted for and should go back into the Treasury and the citizen should be freed from the need for providing that amount of money.

It is estimated that at the present time more than \$6,000,000,000 of unexpended surpluses is available. If this amount were deducted from the Eisenhower Budget, that ungainly document, could be brought down to about \$66,000,000,000 which is high enough. The economy bloc in the Congress says it can save between \$1 and \$2 billion without at all jeopardizing moral obligation and defense necessities. So, let's say \$1,000,000,000. That would bring the budget down to \$65,000,000,000.

The Hoover Commission has shown savings of between \$4 and \$6 billion. These savings can be effective, they claim, by introducing administrative improvements and efficiencies. Well, let us say \$4,000,000,000. So that would bring the budget down to \$61,000,000,000.

Even that is high and contains a lot of extravaganzas, such as I heard about the other day, when a man wrote me that when it comes to mechanical soap dispensers in rest rooms, the government buys the fanciest and most expensive kind, although most grades are the same, their function being to pour soap powder into somebody's hands who wants to wash them. Why he needs to wash them out of a fancy dispenser, I do not know, except that whoever buys the stuff wants to give the citizen the best, as long as the citizen pays for it.

Money is a very precious commodity to possess. It buys food, pays the rent and provides baby with shoes. It also pays for automobiles and television machines but not for the stuff that appears on television because that comes for free, being on the whole generally not worth much more. However, recently I have seen some fairly ancient movies on television, which are very good and which I would pay to see, but not for the commercials which are an abomination.

So to get back to the subject of money, it is preferable to be able to keep whatever money one earns and I, personally, regard the current high taxes as larceny and will never vote for any Representative or Senator who does not favor cutting the budget as a matter of general principle and act thereupon. Personally I do not care whether the cuts are scientific or ad lib, so long as taxes are reduced and some additional money at the end of each year remains in my pocket for me to spend or to save, depending upon my personal inclination. It is about time for the exorbitant taxes which the American people pay, to be reduced.

I am willing to wager that most citizens feel the same way, except those who receive checks from the government for no good reason and who calculate at the end of the year that they are getting a free ride at the expense of the rest of us. Also the lawyers and accountants who make a living fixing up other people's tax returns would have to go back to a slower pace of life if it were possible for the citizen to write out his own income tax statement without fear of going to jail for charging an item too many to an expense account or for overpaying which looks fishy and starts a long train of investigations that are costly in time, effort, and expenditures of money.

Ergo, cut the budget and solve these problems which ought not to interfere with the citizens. (Copyright, 1957, King Features Syndicate, Inc.)

★ Dr. Jordan Says ★  
Many Appendicitis Deaths  
Could Have Been Avoided  
By EDWIN P. JORDAN, M.D.  
Written for NEA Service

It is desirable to issue a warning about appendicitis every once in a while.

This tricky and common condition is still responsible for several thousand deaths each year, most of which could have been avoided.

The appendix usually lies in the lower right part of the abdomen. But it may be on the left side or it can be twisted so that it lies toward the back. Hence the location of pain may not always be alike.

FURTHERMORE, acute appendicitis does not always cause severe pain. In older people especially the pain may be slight and may not be located where it is expected to be. In fact, the pain is likely to be, at least at first, pretty much over the entire abdomen.

Vomiting with appendicitis is common, but diarrhea is rare. Fever is the rule, though this is often not very high.

The presence of too many white blood cells almost invariably accompanies acute appendicitis. For this reason a blood count is most important if appendicitis is suspected.

CATHARTICS OR laxatives are dangerous. If there is the slightest question of appendicitis the best thing to do while waiting for a diagnosis is to eat and drink nothing at all. Laxatives (and to a lesser extent, food and drink) produce wave-like movements in the intestines which greatly increase the chances of rupturing the appendix and spilling the inflamed and germ-laden contents into the abdominal cavity.

IN RECENT YEARS penicillin has often been given before operation and afterwards. This seems to make the recovery somewhat easier.

Most deaths from appendicitis could be avoided if more people realized the risks of using laxatives or of waiting too long before the appendix is removed.

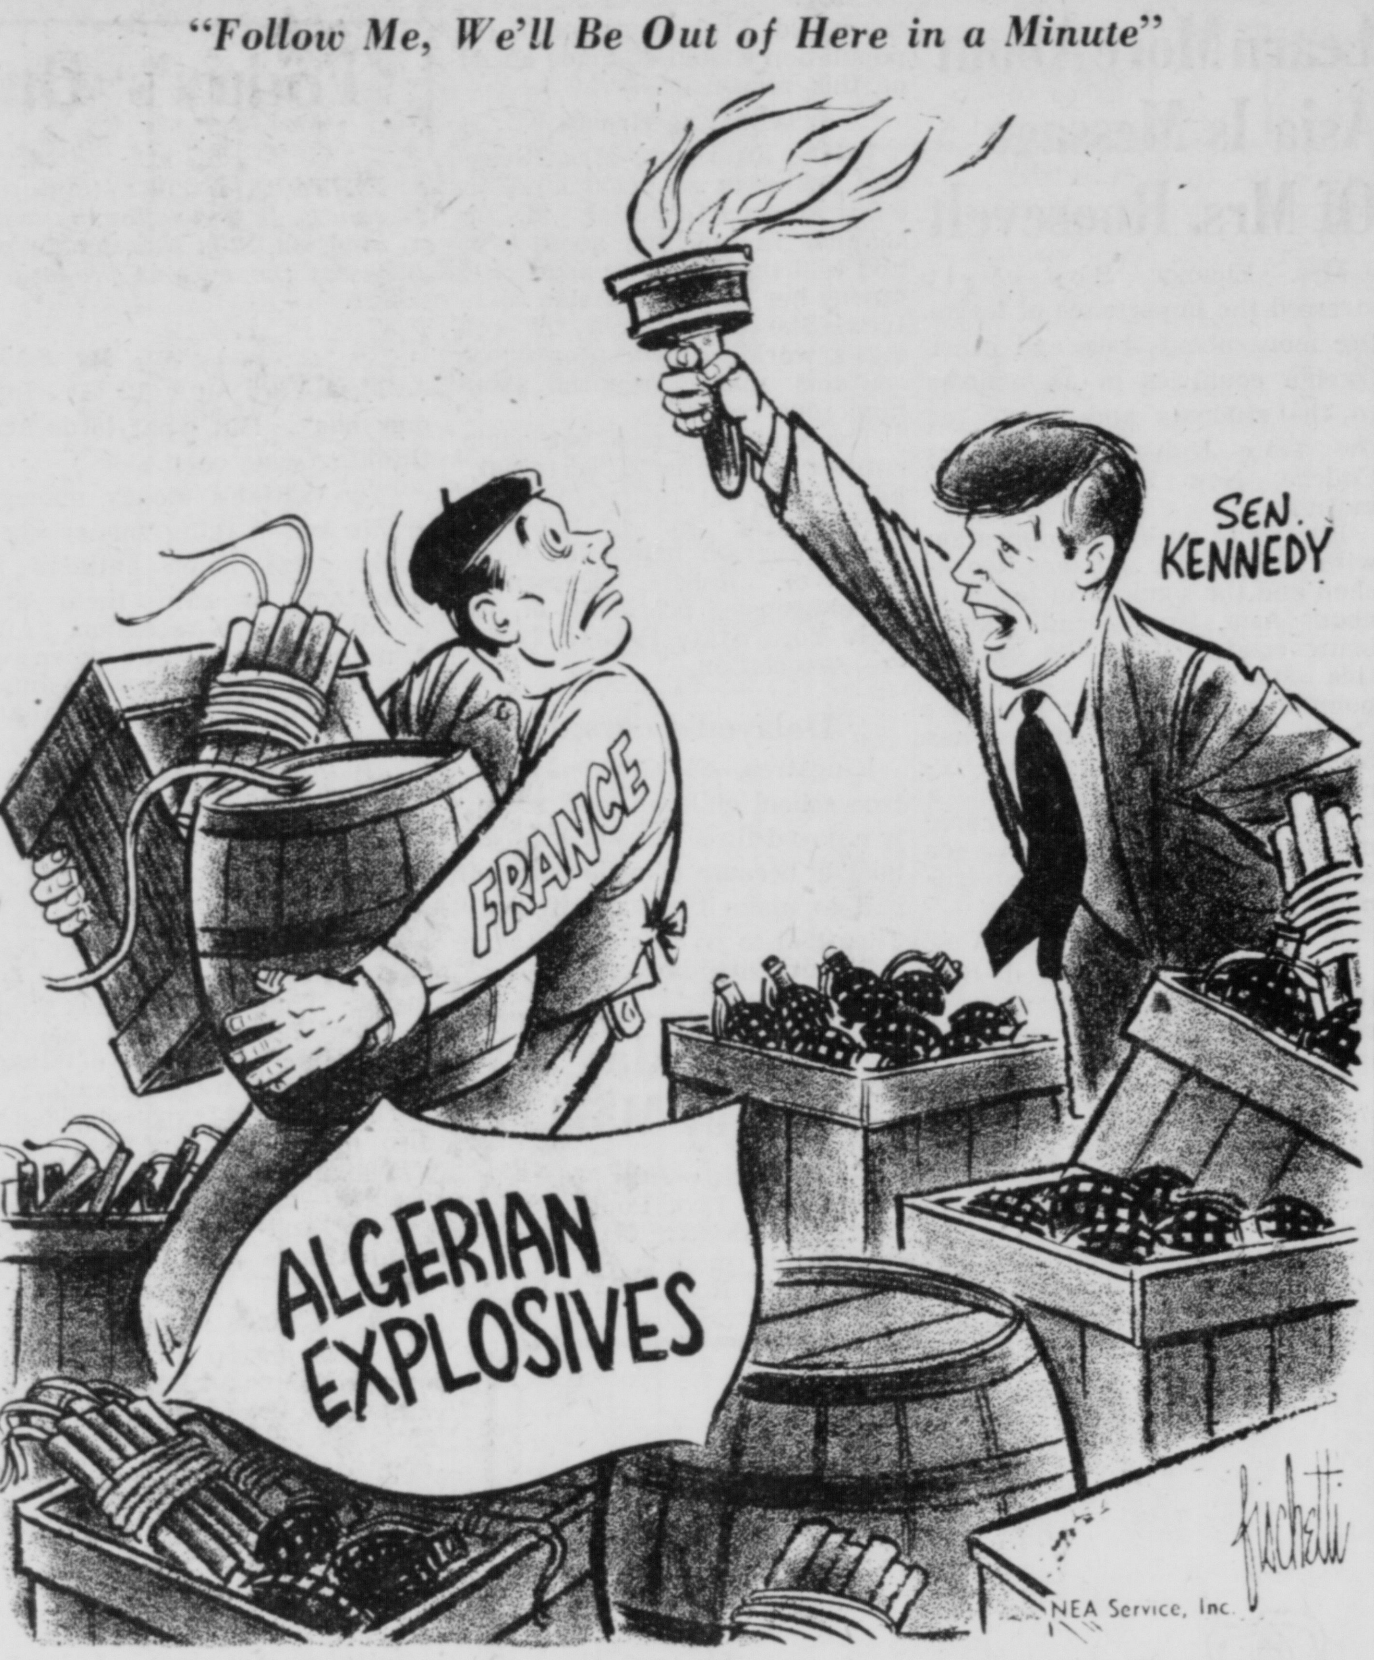

ance is necessary if the choice of a minority party—and the Republicans are that, in this case—is to have a chance. Although the backers count on Christenberry's reputation as a successful businessman, the Democrats profess to feel no alarm that he might beat their candidate, Mayor Robert F. Wagner. It will be an interesting race.

WHERE DISCIPLINE IS NEEDED

Puppies invariably make a mess of homes—until they are sternly disciplined and taught to be clean and decent members of the family.

One wishes that a similar discipline could be imposed on the "litterbugs" who strew discarded paper, beer cans, empty bottles and all manner of other rubbish and dirt along the highways, in recreation areas, and in beauty spots throughout the nation.

The litterbugs have the crude manners of untrained puppies—without any of the puppies' excuses.

Washington News

BY PETER EDSON  
NEA Washington Correspondent

Washington — (NEA) — A touchy subject on Capitol Hill these days is the matter of 150 million dollars, more or less, which is being spent on new office buildings for senators and representatives.

After making so much noise about the need for cutting President Eisenhower's 71.8-billion-dollar budget, the congressmen put themselves on something of a spot. They created the atmosphere for economy in all things, great and small.

Sen. Paul Douglas (D-Ill.) even carried this far that he made a speech in protest against the \$38,000 spent for redecorating the offices of a new assistant secretary of interior and his two assistants on fish and wildlife.

But this is fishfood and birdseed when compared to the new layouts for the congressmen—five-room suites for senators, three rooms for representatives. All the money isn't going to be spent this year. But by 1961 or so, each of the 531 congressmen will have had an average of over \$280,000 spent on him for office space.

WHEN WORD OF THIS and of \$1,000 hand-tooled desks and \$216 posture chairs with built-in vibrators began to seep back home, the constituents started to protest that it was too fancy.

Rep. Robert E. Jones (D-Ala.) of the House Public Works Committee came to the defense of the senators with an explanation that they would all have simple business furniture.

And from the office of Capitol Architect J. George Stewart comes the word that many senators don't want new desks.

They want to keep their old desks, used by great statesmen of the past. Also, the new buildings will have composition floors that won't require expensive carpeting.

But there will be many new desks and files and bookcases for secretaries. And the cost of all this is unknown.

What is known is the cost of the sites and buildings. The new Senate Office Building No. 2 was authorized in 1948 at a cost of 20 million dollars. Nothing was done about it during the Korean war emergency. When construction was begun two years ago, the cost had shot up to 23 million dollars.

This building will house 40 senators and 12 committees. Next January, there will be the job of reconditioning the old Senate Office Building No. 1. Its 96 three and four-room suites will be converted into 36 five-room suites and committee rooms. No estimates yet on what this will cost.

THEN, TO PROVIDE FOR future growth, the senators want to buy a block of adjacent property. The half block which contains historic old Belmont House, now Warren's Party headquarters, will cost five or six million dollars.

The full block contains Carroll Arms Hotel and the site on which Veterans of Foreign Wars wanted to build a new headquarters. This could cost another eight or 10 million.

Over on the House side of Capitol Hill there's a complicated building project that may cost 100 million dollars, though this money will be spent over the next five years or more.

ON ONE OF THESE BLOCKS stands one of Washington's new-

est hotels, the Congressional. Congress is buying this hotel and has deposited 1½ million dollars for title. It will be used as offices while Old and New House Office Buildings are being remodeled—at an estimated cost of 18 million dollars.

The hotel will be torn down to make space for something else in future years. Just what hasn't been decided.

There's only one note of real economy about this rebuilding of Capitol Hill for future generations of tourists to get lost in. The project to face-lift the Capitol itself, so as to extend the building under the great dome, has apparently been abandoned. It would have cost another 42 million.

Farmer's Gas Tax Refund Booklet

Riley J. Ratterree, District Director of Internal Revenue for the Albany District, today announced that a revised Farmer's Gas Tax Refund guide booklet is now available to assist farmers in submitting Federal gas tax refund claims for the year ending June 30, 1957.

The publication, No. 308, together with claim Form 2240 and instructions for submission of claims are available on request at the District Internal Revenue office, Albany, N. Y. Forms and instructions also may be obtained at county agricultural agents' offices, and at many banks and post offices.

Claims should be filed on Form 2240 on or after July 1, but no later than September 30, 1957.

Last year a million and a quarter farmers filed claims for refund of the Federal tax on gasoline used for farming purposes, and refunds averaged \$20.

It is estimated that the number of claims for refund is expected to increase correspondingly. These increases are due to an increase in the Federal gas tax rate from two to three cents a gallon plus the fact that an entire year will be covered by these claims whereas only taxes paid on gas used during the first six months of 1956 were subject to the claims filed last year.

The Farmer's Tax Refund guide explains in plain language the rules and procedures to be followed in filing a claim for refund of the Federal gasoline tax. It also explains conditions under which the farmers may purchase diesel fuel and other special motor fuels, to be used for purposes, without payment of the Federal tax thereon.

Q—In what year was Saint Francis Xavier Cabrini canonized?  
A—In 1946.

Q—On which of the Hawaiian islands is the capital, Honolulu, situated?  
A—On Oahu.

Q—Do graduates of the U. S. Military Academy receive a degree?  
A—Yes, the graduate receives the degree of Bachelor of Science.

Q—Who is the present king of Belgium?  
A—King Baudouin I.

Plot to Disarm West Seen In Soviet A-Bomb Policy

By DAVID LAWRENCE

Washington, July 12—A tell-tale paragraph in an impromptu speech just made by boss Khrushchev exposes the entire game of fakery that the Communists have been playing at the disarmament table in London. It's the banning of all nuclear bombs—both their testing and their use in war—which the Soviet Union really wants. Why? Because this would give the Soviet and Red China regimes, with their enormous manpower and the use of conventional weapons, a complete military mastery of the world. The West would, in effect, be disarmed.

Khrushchev showed his hand when he denounced President Eisenhower for saying at a recent press conference that a "clean" bomb, which would limit destruction to the military target and eliminate "fall out," was being perfected for the American government by its scientists.

Belittles 'Clean' Bomb

Speaking off-the-cuff during his tour of Czechoslovakia, Khrushchev said: "Eisenhower is a man of principle and integrity but look what stupidities he says when he speaks of a clean hydrogen bomb. How can there be clean bombs for dirty things? Bombs mean wholesale annihilation of children and women."

For several years now the Communists, through their press and with the co-operation of some naive persons in the scientific world, have agitated against the testing of nuclear weapons. The principal impetus to the crusade was given by a world-wide discussion of radio-active "fall-out" and an exaggerated emphasis on possible damage to civilians everywhere. Because of this terror campaign, politicians in Britain and America urged a ban on all nuclear testing. Some have wanted it done by the West alone, and some have insisted that it be agreed to by the Communists simultaneously with the western countries.

Reds Stir Up Feeling

But coincident with all this there has been a persistent drive by the Communists to stir up world-wide feeling against any use of nuclear bombs in war. Most people didn't recognize the shrewdness of this military strategy, but now, with the elimination of that "fall-out" scare, the Soviets are agitating themselves not only with a "clean" bomb, the bottom drops out of the Soviet argument about the evil effects of "fallout" whether in tests or in

the use of nuclear bombs in war time.

A "clean" bomb means that the military installation or factory making strategic weapons for the enemy would be the target and that people in the surrounding area would not be harmed by "fallout." This is exactly what used to happen in war—a constant attempt to confine bombing to military areas.

Soviets Won't Agree

The Soviet government, of course, would be given the secret of the "clean" bomb by the West, so that there would be no unfair advantage, but only if there was an agreement in advance to permit outside inspection so that the West would know if the Russians were continuing to produce what are known as "dirty" bombs.

Thus far, however, the Soviet envoys to the London disarmament conference have stood their ground—they will not even agree to a ban on all testing of bombs by both sides because the West insists that production of bombs must also be stopped and a foolproof method set up to ascertain whether the agreement has been fully fulfilled.

So it all comes down to this: the Communists want a mutual ban on testing but don't want to agree to stop production of nuclear bombs. The West is willing to stop the tests and also further production of bombs, if agreed to by both sides.

The Soviet reason for wanting an agreement to ban tests and the use of bombs in war is that they never intend to honor their pledges but know the West will. This gives the Soviets a military advantage on two counts—they will continue to manufacture nuclear bombs and they will maintain large armies to overrun Europe or to intimidate the peoples of the western countries and thus make easier the infiltration of parliamentary governments by Communists.

Back in the minds of the Soviet military strategists also is the knowledge that if it will, together with certain political governments in Western Europe, when the chips are down would allow their territory to be used by American forces as bases for the launching of H-bombs, knowing that this would invite retaliation.

Meanwhile, conventional armies, navies and air forces are being curtailed in the West for economic reasons while the Communists are protecting themselves not only with nuclear weapons but with non-nuclear weapons and large armies as well. (Reproduction Rights Reserved)

AS PEGLER SEES IT

By WESTBROOK PEGLER

If the people of this country could have their way, all communists would be exterminated not because they threaten the existence of the nation but because they are such nasty, lying, impudent, aggravating ingrates. To the truth is false, wrong is right, indecency is decent and we are stupid prey.

We think otherwise. We are not a nation of lawyers although, nowadays, one hears charming, puzzled ladies trying to discuss the decisions of the Supreme Court, and the letters to the editor faintly echo clichés remembered from insurance policies. But for a long time we tried to be reasonable and lofty about a lot of jackals, many of them immigrants who saved their necks by coming among us, or ill-bred sons and daughters thereof. But now that the Supreme Court has favored them over us, indorsing their indorsement of all that we loathe, we are reduced to frankness.

The fact is that Americans hate Reds, including fellow-travelers high in the Roosevelt cult and household; wily professors; judges of the federal ridings; a hoarde of lawyers and no few chief clerks of the publication trade, known as editors. The stage, screen, radio and TV are crawling with such, but waiving nothing, we all realize that "actors" and those who write and produce recitations are raff whose effect on the social and political course of the country is trivial. They come of a line of outcast vagabonds who sang and danced in taverns as an auxiliary to prostitution and robbery.

The best moving picture ever made was suppressed before most living Americans were born and no movie since, with or without sound or color, or the bodice of Marilyn Monroe, has made the slightest difference in our naturally meandering progress toward our fate. We have no writers, although we buy books by the million, and the confession of Whittaker Chambers, the most important political document since Mein Kampf, is too heavy for our digestion and too long for our mentality. Only a few thousand have read it and they mostly professionals. So this key to the perfdy of Roosevelt and his court will not impress the American people until a couple of generations have come and gone. Then, in retrospect, it will inform a calm and objective public of a dirty imposition on a generally nice people who were so charitable in their judgment that they couldn't believe the truth.

Americans do hate the Communists and their accomplices who, for legal reasons, have come to be called "Liberals," a sad profanation of a noble political title. To pretend that we regard these coyotes as "dupes" of a shrewder and more brazen Reds is a standard tactic today. We know they are neither misguided

nor decently mistaken, but their own wives have made us turn reptilian to meet them at their own tricks. We would prefer to call them Communists. But, and we know that in most cases it were costly and difficult to call a Red a Red and therefore some compromise chose "Liberal" as a synonym. Our advantage is that they and we all know that "liberal" means the opposite of "liberal." We have to make do with the weapons allowed us and their federal judges have not held that "liberal" is its own antonym, although that is not beyond them.

As to how the Reds and their tag-alongs should be put to death I yield the floor for suggestions.

The Sing Sing chair is so gruesome that, after all the proce of the subject gets a silent vote of sympathy from a milky civilization. The other ceremonial methods all have the same basic fault and the headman, in his black habit with white gloves, was too chi-chi for mass production.

For 40 years the rhetorical heroes of Union Square have been yelling for hot blood, fury and the barricades, a brief scrap attended by excitement and some risk of combat, followed by the mop-up. Cops and convention have deterred the Americans from accommodating them with gusto.

That may not be the only way to circumvent the Supreme Court, but something to the same effect is inevitable eventually. History shows many noble precedents.

The enemy has won all the sorties and battles to date. But Americans hate and far out number them and nosily despise the court.

One day we will win this fight. (Copyright, 1957, King Features Syndicate, Inc.)

So They Say..

We are not saints and if necessary we will rap your (western powers') knuckles.

—Nikita S. Khrushchev, Communist party boss.

He removed the (gun's) safety, pushed the gun back into my hands and said: "Go on, shoot. I dare you."

—Mrs. Elizabeth Steele, 32, of Cleveland, Ohio, sentenced to one to 20 years in fatal shooting of her husband.

Its all over now. I want to be a dishwasher again.

—Peter Zakals, 55, of Bridgeport, Conn., who won \$56,000 of the Irish Sweepstakes and spent most of it.

I think it is altogether safe to assume that by 1965 all new major ships will be nuclear-powered.

—Rear Adm. Emmet P. Forrestal.

## Sparkman Bids President Draft Johnston for ICA

Washington, July 12 (AP)—Sen. Sparkman (D-Ala.) suggested today that President Eisenhower try to draft Eric Johnston to serve as his top foreign aid administrator.

Johnston, Sparkman told an interviewer, "understands the program, believes in it, and could breathe the new life into it."

Sparkman, a member of the Senate Foreign Relations Com-

mittee, proposed Johnston's name in speculation over a successor to John B. Hollister who resigned yesterday as director of the International Cooperation Administration (ICA).

Johnston, president of the Motion Picture Assn. of America, and a former president of the U. S. Chamber of Commerce, now heads the President's International Development Advisory Board. He is a Republican.

Hollister resigned after two years in the post, effective upon the qualification of a successor.

### To Command Formosa

Taipei, July 12 (AP)—An official announcement said today Vice Adm. Austin K. Doyle will take over command of the U. S.-Taiwan (Formosa) Defense Command July 26. Doyle relieves Vice Adm. Stuart H. Ingersoll, who has been named president of the Naval War College at Newport, R. I.

July 11, 1957

Editor, The Freeman:

### PERRINE'S BRIDGE

It would appear from an article published in one of our local papers that something must be done about our one remaining covered bridge. Mr. Norman Kellar's report as chairman of the Wallkill River Valley Flood Control Committee places the fate of the bridge in the position of becoming a menace. It is years since we have heard that an appropriation was not sufficient. To a number of people it seems quite likely that there is a group who actually wish to have the bridge out of the way.

If the bridge is a menace and a hazard, then naturally something must be done. I have noted that the bridge has a half page devoted to its historic value in "New York State Vacationlands," put out by the Department of Commerce, State of New York. In every brochure printed by our publicity departments, the Perrine's Bridge is listed as one of our important landmarks. Certainly it is of importance to our county. It was built in 1850. Not many years ago, we allowed our oldest bridge, Phillie's Bridge, Town of Gardiner, to fall into the Wallkill River for lack of a few timbers replaced in time. In the new brochure put out by the Town of New Paltz, an excellent

photograph of Perrine's Bridge (provided by Ed. Huben, has been reproduced for our guests and those who are interested in our community.

Usually when the question of preserving such objects as houses or bridges is discussed, the matter of being practical is first considered. Naturally we must be practical, but if everything was measured according to that standard, then some of the finest things experienced in life most assuredly will be missed. If the doctors, ministers, teachers, social workers, artists or others in similar professions, were always practical and considered time and money, then we would have little hope for this world of ours. Actually saving the Perrine's Bridge does have a practical value in dollars and cents. It is

good publicity for our county and state. It shows people at a distance that we are desirous of saving our historic landmarks for them to visit. It is good business!

If we thought enough of Perrine's Bridge to advertise it for a number of years, then we should have enough money to repair it. Public opinion is needed to make such things possible. I recall quite vividly when the Phillie's Bridge was destroyed. Those in position to do something about it, gave the excuse that the Perrine's Bridge should be the one to be preserved. It is hoped that a promise will not be forgotten in such short order.

## Potato Estimate

Boston, July 12 (AP)—The U. S. Department of Agriculture today estimated New England production of potatoes for late summer

harvest at 503,000 hundredweight. This, the department's New England Crop Reporting Service said, "is somewhat less than the 541,000 hundredweight harvested in 1956 and the seven-

year average of 573,000 hundredweight for the same area." The service said its initial estimate of potato production for fall harvest in New England would be released about Aug. 10.

**Boatman Killed**

Roosevelt, N. Y., July 12 (AP)—A steel workboat brushed a big seaway dredge in the south channel of the St. Lawrence river, killing one workman and injuring three others. Richard C. Wahler, 37, of Nelliston, a deckhand on the boat, the Capt. Bell,

died when the 40-foot boat went under the dredge. Witnesses said it apparently was sucked under in the swift current. James Alker, 37, of Alexandria Bay, and Donald Gordon, 32, of Ogdensburg, also deckhands on the boat, were admitted to a Massena hospital. Both were suffering from shock.

### Way Still Open For Sinners to Repent: Graham

New York, July 12 (AP)—Evangelist Billy Graham says millions of people are taking tranquilizing drugs because they are spiritually dead. Addressing 18,000 persons at

Madison Square Garden last night, he also said that the way is still open for the reconciliation of sinners.

There is a chance for everyone to gain eternal redemption if they accept Christ, acknowledge their sins and repent, Graham said.

Graham said evil has been trying to capture man since the time of Adam, and it is "our job to get back to God." He declared that every person is a free agent and can choose between evil and good.

Graham's text was from Matthew 5:23—"Therefore if you bring thy gift to the altar, and there rememberest that thy brother has ought against thee."

At the end of the service, 604 persons went forward to indicate that they had made "decisions for Christ."

It was announced that a special service in Graham's New York crusade will be held Sunday at 2:30 p. m. in front of the Cornerstone Baptist Church in Brooklyn. The Brooklyn division of the Protestant Council of the City of New York is sponsoring the service.

Mrs. Floyd Walter, president of the local Humane Society, got her dander up yesterday when she was told that workmen were knocking baby birds from their nests.

She protested that a society investigator had found several nests, some dead pigeons and a badly injured bird on the sidewalk beside the massive gray stone structure. "I know the state has a big problem," she said, "but there is no point in needless cruelty."

Capitol workmen denied any wrongdoing. But a maintenance official asked: "What do they want us to do—provide a breeding ground for pigeons?"

The Legislature appropriated a special fund this year to intensify the war against the birds. The lawmakers felt that a capitol free of pigeons would present a cleaner appearance.

**Diablo Firing Off**

Atomic Test Site, Nev., July 12 (AP)—Firing of the Diablo—the atomic device that failed to explode June 28 because of a power failure—has been put off at least until tomorrow morning. It was scheduled to be exploded from a balloon 500 feet above the desert today, but the Atomic Energy Commission said a postponement was made necessary for technical reasons. It did not elaborate on this explanation.

**Adventists Convene**

Mount Vernon, Ohio, July 12 (AP)—An estimated 4,000 Seventh-Day Adventists from all parts of the United States and Canada are expected here today to celebrate the 50th anniversary of the founding of the denomination's youth department. The two-day celebration will be staged on the campus of Mount Vernon Academy, an Adventist secondary school, and the site of a 10-day council in July, 1907, when the youth department was conceived and established. A highlight of the program will be an address by Gov. C. William O'Neill at a ceremony tomorrow afternoon dedicating a monument in honor of the founding fathers of the church youth movement.

**New Iran Tremors**

Tehran, July 12 (AP)—Earth tremors were reported in Iran yesterday for the 10th consecutive day. The tremors occurred in the Demavend and Caspian regions. Continuing shocks have been reported daily since July 2 when a violent quake killed an estimated 2,500 to 3,000 persons.

## Briefly Told

Syracuse, N. Y., July 12 (P)—Howard V. Swartz, 64, chairman of the State Board of Certified Public Accountant Examiners, died of a heart attack yesterday in his downtown office.

Penn Yan, N. Y., July 12 (P)—A gasoline explosion disintegrated an inboard motor boat on Keuka Lake yesterday and injured two young men.

Daniel Richardson, 26, of Horseheads, was taken to a hospital, where he was reported in fairly good condition suffering from leg injuries and shock. Joseph McConnell, 20, of Elmira, was discharged after treatment for shock and bruises.

Mrs. Wilbur Brown of Rochester and her son, Rexford, 15, pulled the pair from the lake.

Watertown, N. Y., July 12 (P)—A judge has halted the trial of Mrs. Anna P. Mentry, 34, charged with second degree murder in the killing of her 11-month-old son, Raymond. The case was thrown out of court yesterday.

Judge Milton A. Wiltse of Jefferson County Court dismissed the charge on grounds that the

district attorney had failed to substantiate the death of the child by evidence and that the prosecution had failed to submit evidence linking the defendant with the crime.

Mrs. Mentry had been accused of slashing the child's throat as he slept on April 6, 1953. Shortly afterward, she was committed to Matteawan State Hospital for the criminal insane. She was released recently.

Benson, Ariz., July 12 (P)—Michael A. Picard, 20, an airman from Scotia, N. Y., was injured fatally early yesterday when an automobile he was driving went over an embankment four miles east of this southwest Arizona town.

The Arizona Highway Patrol said Picard was assigned to the 43rd A&E Squadron at Davis-Monthan Air Force Base, Tucson. Patrolman Thomas Brown said the car went off an overpass and plunged down an embankment. Two other airmen in the car were thrown out and suffered serious injuries.

The USS aircraft carrier Saratoga is as wide as a World War I type destroyer was long.

## Other Republican Reinstated in Position by Court

Albany, N. Y., July 12 (P)—A second state official hired by Republicans and fired by Democrats has won a court order reinstating him.

Justice Isadore Bookstein of State Supreme Court held yesterday that Lee J. Behringer of Amsterdam should continue to be Albany district administrator for the division of workmen's compensation. He was replaced March 19 in the job, which pays \$8,000 a year.

Justice Herbert D. Hamm issued an order June 19 reinstating Col. Charles E. Walsh of suburban Delmar as assistant superintendent of operations and maintenance of state buildings in Albany.

Two workmen's compensation administrators ousted at the same time as Behringer also have brought court action for return to their posts. They are Col. Morrell L. Brewster of Syracuse and Benedict L. Miller of Rochester.

## Orders Stayed

The orders reinstating Behringer and Walsh will be stayed pending appeals the state plans to take to the Appellate Division.

Back pay from the time of discharge is paid to officials restored to state posts by court orders. Any outside wages they may receive between discharge and reinstatement are deducted. John J. Kelly Jr., attorney for all three ousted administrators, said he would move for decisions in the Brewster and Miller cases on the same basis as for Behringer.

Behringer was appointed district administrator in 1953 under the Republican administration of former Gov. Thomas E. Dewey.

Gov. Harriman's Democratic administration maintained in replacing him that the post was that of a "deputy or independent officer" unprotected by civil service. Behringer argued in court that the job was protected.

In his decision, Bookstein said Behringer was neither "by legislative title nor by lawful authority . . . a deputy or independent officer."

## People's Bible Class

At Vly Chapel July 13

The People's Bible class of

Stone Ridge will meet in the

Vly Chapel Saturday at 8 p. m.

A special musical program has been arranged for the service. The Rev. O. Phillips, class teacher, will present a brief study of Chapter 1 of the Gospel of John. He also will preach on the subject, "The Heart of America."

Plans for a baptismal service by immersion will be discussed at the meeting. Arrangements also will be made for a picnic to be held July 20.

The public is invited to the service.

## BRIDGE

## Down Five on Bid of Two

BY OSWALD JACOBY

Written for NEA Service

"I had an opening bid and look what happened to me at two clubs," lamented South.

"As long as you keep on making silly overcalls you can expect the roof to fall on you regularly," commented North. "And furthermore, I am the unlucky one at this table." North went on. "Remember, I am your partner and the loss hurts me as much as you."

North was quite right about South's bid. The fact that a hand is worth an opening bid does not make it worth an overcall at the range of two. In particular there was little or no future to South's hand. He had a nice five-card club suit but he did not really expect to get to a club game. Then he had four cards in diamonds but that was the opponent's bid suit and those cards were not going to be worth much if his side played the hand.

Of course, it is possible to set up some hand where his two-club overcall would have brought in a profit but against that there are so many that produce substantial losses.

## Think It Through

By E. F. HUTTON

Money is tight. Business needs money to finance the building and equipment to provide more and better jobs.

Present high taxes are a slow poison. Like the unseen rot in the heart of a tree, it takes a long time for a tree—or a nation—to die. For this reason people grow weary of essays

on "America at the Cross Roads." On the surface, America still seems sound. But so did Great Britain only 45 short years ago when it was the Number One World Power. So did France.

Gentlemen of the Congress, if you look beneath the surface, you will see signs of internal rot in our own country. The cancer cells of excessive taxation are spreading.

Every tax tells someone not to do something he would otherwise do, or do less of it. Every important business decision must consider the tax angle and either shift or reduce the tax burden, if possible.

These observations, I think, are worth your urgent reflection. Equally important is the control of the purse, which is slipping from your hands into the paws of a vast, invisible bureaucratic State.

The power to tax is the power to destroy. Excessive income taxation is destroying income, property, and retarding growth. This promotes Socialism.

Act now, Gentlemen, before the rot spreads further!

## Port Ewen

## Area Notes

Port Ewen, July 12—Chief Warrant Officer John Reynolds of the New York National Guard is at Camp Drum for the two-week summer training.

Scoutmaster Robert Freer and Explorers Daniel Terpening and Jeffrey Boice of Troop 26 are attending the National Boy Scout Jamboree at Valley Forge, Pa.

Mrs. John S. Dimmler is a patient at Kingston Hospital. Miss Jennie Halstead of Kingston was a recent guest of Mr. and Mrs. Ray Horvath.

Mrs. Frank Dempsey and daughter, Eileen, spent a few days with Mrs. Albert Munson and family at their camp at Sleepy Hollow.

## Church Notes

Presentation Church, the Rev. James Kelley, CSsR, pastor—Masses at 8, 10 and 11 a. m. The Holy Name Society will receive Holy Communion at the 8 a. m. Mass followed by benediction. Wednesday, 7:30 p. m., Novena to Our Lady of Perpetual Help followed by benediction and confessions. Mass each morning at 8 o'clock.

Methodist Church, the Rev. Mark D. Opliger, pastor—Sunday services at 10 a. m. Reformed Church members and friends are invited to attend the service.

## Ship Leaves Reef

Hamilton, Bermuda, July 12 (P)—Helped by a mighty yank from ground tackle, the British cruise ship Reina Del Pacifico slid backwards off Devil's Reef last night three days after running aground. The liner bobbed lightly on the squall-tossed sea, but with a starboard list. The effort to pull the Reina free succeeded as the weather grew increasingly worse, threatening to halt salvage operations until the weekend.

The play of the hand was short and bitter. West opened the queen of clubs. Eventually South was able to make his ace and king of clubs and ace of diamonds only. Down 1,400. Of course East and West had a game but it is very doubtful if they would have reached it if South had kept his silly mouth shut.

## Milk Vote Called July 27 at Utica

Ogdensburg, N. Y., July 12 (P)

The Farmers Union has called a meeting of its board of county presidents, to be held July 27 at Utica, for a vote on a milk strike in the New York milkshed.

Ray H. Knack of Hortonville, acting president of the union, said yesterday in announcing the meeting that if the county presidents voted in favor of a strike a special convention would be called to ratify the action.

Knack said the officers also would vote on affiliation with the AFL-CIO Grain Millers Union.

He said that 70 per cent of the replies to a postcard poll of Farmers Union members voted for an immediate strike, 15 per cent for a strike at a later date and 15 per cent for no strike. Knack said more than 1,000 replies were received to the 6,000 sent out.

The Farmers Union says it has dairy-farmer members in New York, New Jersey and Pennsylvania.

## Buffalo Woman

## Admits Old Murder

Buffalo, N. Y., July 12 (P)—A conscience-stricken Buffalo woman told authorities last night she strangled her husband 14 years ago and successfully rigged his death to look like suicide.

Then the woman—Mrs. Helen Ginter, 39—went with police to the now vacant former apartment in suburban Cheektowaga and re-enacted her version of the June 13, 1943 events.

Mrs. Ginter told police she strangled her husband, Edward Kemery, with his own belt as he slept.

nal, Palestine and the Algerian rebellion.

## Returns to Israel

Tel Aviv, July 12 (P)—Israeli

Foreign Minister Golda Meir returned today from a visit to Vienna and talks with French

leaders in Paris. She denied she had interrupted her Paris talks to return home because of recent clashes on the Israel border. Mrs. Meir said she left no unfinished business in the French Capital.

### New College Officers Announced by Bard

The appointment of two new college officers was announced today by James H. Case Jr., president of Bard College, Annandale-on-Hudson.

Miss Ann M. DeSandis has been named director of public relations, and Miss Elsa R. Heister, director of alumni and community relations.

Before joining the Bard staff, Miss DeSandis served as public relations officer for the State University of New York's project of technical and educational assistance to Israel, and was based in Tel Aviv for six months. From 1951 to 1956, she was a reporter and staff writer for the school page of the New York World-Telegram and Sun.

After receiving a Bachelor of Arts degree from Brooklyn College, Miss DeSandis did graduate work in journalism at Fordham University and Hunter College.

Miss Heister, who graduated from Bard College in 1956, has just received a Master's degree from the University of Chicago.

A resident of Winthrop, New York, Miss Heister was an active participant in college activities. While attending Bard on a scholarship, she was voted an alumni scholar in 1955 and was awarded the William J. Lockwood prize at graduation as the student who had contributed most to the general welfare of the college. She also received a scholarship to the University of Chicago.

In her new position, Miss Heister will work with alumni, parents and members of the community.

MRS. GERALD E. GALLOWAY JR.

(Nakamura photo)

### Galloway-Messinger Wedding Is Held In Honolulu; Parents Resided Here

The wedding of Miss Diane Messinger, daughter of Major General and Mrs. Edwin J. Messinger of Honolulu, Territory of Hawaii, to Second Lieutenant Gerald E. Galloway Jr., son of Major General and Mrs. Gerald E. Galloway, Honolulu, which was held Saturday, June 22, has been announced here.

The bride's parents are former Kingston residents. Her grandparents were the late Mr. and Mrs. J. L. Messinger of Kingston and the late Rev. and Mrs. William J. Nelson. The Rev. Mr. Nelson was a former pastor of the Lutheran Church of the Redeemer.

The wedding was held in the Division Artillery Chapel, Honolulu. Chaplain (captain) Michael A. Rusnock officiated at the double ring ceremony and was assisted by Chaplain (major) Robert J. Curtis.

Gen. Messinger is the commanding general of the 25th Infantry Division and has recently assumed command of the newly organized U. S. Army, Hawaii. Gen. Galloway is the Missouri River Division Engineer.

For the ceremony, the chapel was decorated with Hawaiian flowers and strands of golden plumeria were draped over the entrance. The pews were marked with plumeria and plumosa tied with white satin bows.

Given in marriage by her father, the bride wore a Paris original gown of imported Alencon lace over layers of tulle and

taffeta. Her fingertip veil of illusion fell from a seed-pearl crown. Her bouffant skirt ended in a chapel length lace train and she carried a carved ivory, lace-covered fan with three white Cattleya orchids with stephanotis.

Miss Claire Messinger, sister of the bride, was the maid of honor and the attendants were Mrs. R. I. Doerr and Miss Kathy McGee.

The attendants were identically gowned in ballerina-length Nile green silk organza over taffeta and wore daisy covered caps. They carried lace fans with white Cattleya orchids, stephanotis and daisies. Matching shoes completed their ensembles.

General Galloway was best man for his son. Ushers were First Lieutenants William S. May, Robert I. Doerr, Clayton D. Walsh and John M. Anderson. Saber bearers were Captain James H. Chappell and First Lieutenants William R. Fonshell, Charles H. Rudman and Robert L. Tufts.

Following the church ceremony, a reception was held in the Schofield Barracks Officers Open Mess for approximately 250 guests.

The bride was graduated from Highland Falls School and attended Ladychiff College in Highland Falls. The bridegroom is a graduate of U. S. Military Academy, class of 1957.

Lt. and Mrs. Galloway plan to make their home at Fort Belvoir, Va.

### Julia Kangas Wed To Edgar Ward

On Saturday, July 6, Julia Anne Kangas, daughter of Mr. and Mrs. Charles Kangas of Minneapolis, Minn., was married to Edgar M. Ward of Ulster Park.

Mr. Ward is the son of Mrs. Edgar Ward of California. Attending the bride was Mrs. Edgar Maurer of Kingston. Edgar Maurer was the best man.

The wedding was held at the American Legion Post 1298 in Port Ewen and Supreme Court Justice Roscoe V. Elsworth performed the ceremony.

The bride was given in marriage by Milton G. Tsitsera of Ulster Park. She wore a street length pleated white chiffon gown styled with lace bodice and wide satin cummerbund. She also wore a large white lace picture hat and carried a prayer book covered with white bridal roses and streamers with lily-of-the-valley.

The matron of honor wore a delphinium blue nylon dress with white picture hat and carried a nosegay of pink carnations and gladioli.

Serving as ushers were Chester Barth and Burton Heldron. For her traveling ensemble, the bride chose a Chinese red dress with matching bolero, white accessories and a corsage of white roses.

Mrs. Ward is employed by IBM and her husband operates a real estate business of his own. The couple will reside in Ulster Park when they return.

### New Summer Session Director Announced For New Paltz College

DR. RICHARD F. KLUX

The appointment of Dr. Richard F. Klux as director of the summer session at the State University Teachers College, New Paltz, was announced this week by Dr. William J. Haggerty, president of the college. He will also serve as chairman of the Division of Graduate Studies and director of the extension program.

In his new position, Dr. Klux will direct the summer session activities and the graduate program which have been under the supervision of Dr. John H. Jacobson, dean of the college, and the extension course program which has been conducted by John Vett, director of admissions.

On Faculty Since 1949  
A member of the New Paltz faculty since 1949, Dr. Klux has been a professor of education in charge of student teaching, and has directed the summer intensive teacher training program conducted by the State University Teachers College at New Paltz on the campus of the Long Island Agricultural and Technical Institute at Farmingdale. He has also been executive secretary of the Mid-Hudson School Study Council for a number of years.

He was graduated with a BS degree from Cornell University and holds MS and EdD degrees from Syracuse University.

Dr. and Mrs. Klux and their daughter, Jean, recently returned from India where he spent the past year as a lecturer in the field of secondary education under the Fulbright Act. He was one of a team of four teachers who presented a series of workshops for secondary educators in three different universities in India.

Many Bicycles  
Nantucket Island, Mass., has a population of 3,500 people. Nevertheless, there are 4,100 bicycles on the island. Any questions?

**Lodges Plan Picnic**  
Sunshine Lodge 929, IOOF, and Vineyard Rebekah Lodge of Highland will hold their annual picnic Sunday, July 21, at Midway Park, Benton Corners.

In the event of rain, the picnic will be held the following Sunday.

All members and families are invited to attend.  
Committee includes Myron Rank, chairman, Vernon Rank, Charles Alsdorf, Hilbert Mittlestedt, Mason Stokes, Elton Tompkins.  
Lunch will be served at 12 noon.

### 4-H Club News

The following members of the Stone Ridge Busy Beavers 4-H Club have taken and completed the following projects:

ABC's of Cooking, junior group — Penny Bishop, Letty Derman, Carol and Linda Larsen, and Nancy Sheils with Martha Larsen and Judy Schwarz, assistant leaders.

Learning to Sew, junior group — Penny Bishop, Letty Derman, Elaine Jacobsen, Carol and Linda Larsen and Nancy Sheils with Mrs. Francis Davenport, leader.

Sew a Fine Seam, senior group — Ellen Browne, Mary Browne, Jane Civill, Sally Civill, Louisa Knudsen, Bette Ann Larsen, Martha Larsen, Nancy Larsen, Patricia Larsen, Mary and Patricia Parate, and Louise Redelberger with Mrs. Oskar Larsen and Mrs. William Larsen, leaders.

The following cooking projects have been taken and completed under the leadership of Mrs. Maurice Davenport:

Pie Time, senior group — Charlotte Bogart, Ellen and Mary Browne, Jane Civill, Carol DeWitt, Martha Hungerford, Louisa Knudsen, Bette Ann Larsen, Martha Larsen, Nancy Larsen and Mary and Patricia Parate.

Advanced Foods, senior group — Charlotte Bogart, Ellen Browne, Mary Browne, Sally Civill, Carol DeWitt, Martha Hungerford, Martha and Patricia Larsen, Nancy Larsen, Louise Redelberger and Judy Schwarz.

In December of 1956 the following girls completed the project Christmas Greens: Martha Hungerford, Martha and Patricia Larsen and Nancy Larsen. On June 15 the annual 4-H picnic was held at the 4-H Campsite with 15 in attendance.

### Suppers

**Binnewater Auxiliary**

Annual fair and ham supper will be held at the Binnewater Fire Hall under the sponsorship of the ladies auxiliary on Aug. 1 at 2:30 p. m. Supper will be served at 5:30 p. m.

If you want your summer salads to have high nutritive value plus protein content, make them from fish, meat, eggs, cheese.

### Prospective Bride Of Benjamin Styles

BETTY A. BURGER

(Photo Workshop)

Mr. and Mrs. Clarence Burgher of Hurley announce the engagement of their daughter, Betty Ann, to Benjamin Gerald Styles, also a Hurley resident.

Mr. Styles is the grandson of LeRoy Styles of Cottekill and Hurley.

The bride-elect is a Kingston High School graduate and is now employed by the Prudential Insurance Company.

Her fiancé is a graduate of Long Island Agricultural and Technical Institute in Farmingdale, L. I. He is employed by IBM in Kingston.

An October wedding is planned.

VIRGINIA COPELAND

Broadway singing star of Gian-Carlo Menotti's "The Saint of Bleecker Street," who plays the title role in Richard Strauss' "Elektra," to be presented by the Empire State Music Festival at Ellenville Saturday evening and Friday, July 19. Laszlo Halasz will conduct the performance, which will be staged by Leopold Sachse. (Friedman-Abeles photo).

### Dance-Ballet, 'Emperor Jones' Repeated At Empire State Music Festival Tonight

"Emperor Jones," the Dance-Ballet based on Eugene O'Neill's play, commissioned by the Empire State Music Festival last year and produced to great success there, returns to the Ellenville Music Center for two performances, tonight and Sunday night, July 14. Heltor Villalobos, who composed the score and conducted the Symphony of the Air in the work, and Jose Limon, choreographer and principal dancer, will again be on hand to highlight the production. Senior Limon will be assisted by Lucas Hoving.

In addition to "Emperor Jones" there will be a symphony concert conducted by Villa-Lobos, a feature of which will be the American premiere of a new composition by the Brazilian composer, "Caixinha De Boa Festas." (The Little Box of Christmas Presents.)

"Elektra," with Virginia Copeland in the title role of the Richard Strauss opera, will be given tomorrow night and repeated again on July 19. Laszlo Halasz is the conductor.

## Too Much Rock 'n Roll, Hysterical Gospels Says Noted Civic Leader at Convention Here

"We must teach our children race pride," said Mrs. Anna Arnold Hedgman, guest speaker at the annual banquet of the Empire State Federation of Women's Clubs held at the Governor Clinton Hotel Thursday.

Mrs. Hedgman, who is assistant to Mayor Robert Wagner of New York city, stated that "we are losing our struggle for basic integrity."

"Our children must be told that the men who wanted to keep them in slavery were wrong," she said. "Three hundred years of slave labor is a lot of labor as a commodity yet the fight for freedom was evident in our people's songs of faith and in their struggle to succeed."

"Our children are not proud enough today because we have not held before them our past history of sacrificing courage. Today, they are only getting cheap junk in the home, school and community. They are getting too much rock and roll and hysterical gospel trash."

49th Session  
The convention before which Mrs. Hedgman spoke is the 49th annual session of the Empire State Federation of Women's Clubs. It opened Wednesday at the Franklin Street A.M.E. Zion Church.

At the banquet, newly elected officers were installed. They included Miss Diane Carter, president; Miss Patricia Bruce, vice-president; Miss Gloria Pulliam of Beacon, corresponding secretary; Miss Beverly Morgan, recording secretary; Miss Sylvia Bruce, treasurer; Miss Gwen Gorce, chaplain.

In her address, Mrs. Hedgman urged the women to review the situation and make every effort to correct it.

"Where are we as federated

club women," she asked. "Our club meetings are dull, most club groups are too old. We must allow young women to participate," she said.

The speaker further noted that women can do a lot to help by engaging in pre-school teaching of children; teaching Sunday school lessons and reading, writing, good manners and above all, Negro history.

One historical fact that Mrs. Hedgman cited was that the first Negro came to America in 1619, before any colonies had been formed. The first colony was founded just before 1620, she stated.

"We are more American than any other group," she said, "except the Indians."

At the conclusion of her address, Mrs. Hedgman received a citation in recognition of her fine work to help the American Negro.

Citations were also presented to Mrs. Drucilla Poole, New York city civic worker and past president of the Federation; Mrs. Carrie P. Hill, past chairman of the executive board in New York city; Mrs. Olga Galloway of Beacon, state president; Mrs. Lillian Graves of New Rochelle, Westchester regional president.

A lighter note was interjected when the forthcoming marriage of Miss Mary Crosby of Buffalo was announced during the banquet last night. Mrs. Eloise Johnson of Buffalo played the wedding march on the piano for her.

The convention concluded today.

## Comedy, 'Years Ago' Now in Phoenicia

Ruth Gordon's comical autobiographical play, "Years Ago," is now on stage at the Phoenicia Playhouse and will continue through July 14.

Margueriet Lenert and Katherine Helmond are starred in Mrs. Gordon's pleasant domestic comedy. Miss Lenert plays the role originally created by Florence Eldridge.

Signed as the company's character woman, Miss Lenert has recently won the coveted off-Broadway "OBIE" award for distinguished performance by an actress. She won this highly regarded distinction for her performance in the circle in the square production of "House of Breath." She toured with the national company of "Anastasia" and had been featured on television on Robert Montgomery Presents and Studio One.

Miss Helmond, who portrays Ruth Gordon, recently appeared in New York in Lillian Hellman's "Another Part of the Forest." She studied at Bob Jones University where she played the role of Ophelia in the filmed version of "Hamlet."

The Phoenicia Playhouse, has also chosen John Ramondetta and Ann Hamilton as the leads for the third production this season, "Dark of the Moon," a folk musical by Richardson and Bernier, considered by theatre historians as an "American Classic." It will play July 16 to July 21. Mr. Ramondetta will play the witch boy from the Smokey mountains who wants to be human so he can marry Barbara Allen.

## Mrs. Burger Feted At Surprise Shower

The Misses Jackie Fourie and Valerie Quick recently hosted at a surprise stork shower for Mrs. William A. Burger Jr. at the home of Miss Fourie on the Sawkill-Ruby road.

A pink and blue umbrella decorated with storks and crepe paper streamers framed the decorated chair of the guest of honor.

Guests attending were the Misses Fourie, Quick, Barbara Maines, Janet Hornbeck, Elaine Macholdt, Sue Hook, and the Misses Helen Hornbeck, Mary Fourie, Edna Burger and Lillian Stricker.

Gifts were also received from the Misses Jackie-Comer, Marilyn Johnson, Margaret Danford and Ann Seagrave.

## Club Notices

Ulster Garden Club

A box picnic will be held Sunday, July 14, by Ulster Garden Club at the home of Mrs. Terry Staples, Malden-on-Hudson at 5:30 p. m. Husbands and children are also invited.

Ulster Hose Auxiliary

Ladies Auxiliary of Ulster Hose Company No. 5 held its regular meeting Wednesday. Plans were made for an annual fair on Aug. 14, 15, 16 and 17. A card party will be held Sept. 20 at the firehouse on Albany avenue extension.

Past Councilors Club

Past Councilors Club will hold a picnic meeting Tuesday, 6 p. m. at the home of Mrs. Burton Giles, 100 Boulevard.

About one third of all passengers between London and Paris travel by air.

## St. Ann's Bazaar Set

A bazaar will be held Sunday Aug. 11, in the parish hall and on the church grounds of St. Ann's Church, Sawkill.

Plans were completed at a recent committee meeting at which Norbert G. Wolselgel, co-chairman presided.

It will be an all day event.

A picnic dinner will also be served.

Various booths will be erected and there will be entertainment for the children.

Transportation from Kingston will be provided.

## Personals

The Misses Marilyn Gadd, Suzanne Smith, Ann Marie Yanarella and Helen Osborne are on a two-month tour of Europe. They will visit Ireland, England, Belgium, Holland, France, Italy, Spain and Switzerland. Miss Gadd is on the faculty of the Highland Central School.

Born on Thursday, July 4, at the Holland City Hospital was a son, Bruce Richard, to Mr. and Mrs. Richard Pruikma of Holland, Mich. The mother is the former June Darling Tallmadge, daughter of Mr. and Mrs. Huyler Herder of Walkkill. His father will be ordained as minister of the Athens and Kiskatomie Reformed Churches on Aug. 26 and 27.

Mr. and Mrs. Robert E. Baines and family of Dallas, Tex., are vacationing with the Rev. and Mrs. Robert Baines in Hyde Park. A grandson will be baptized by the Rev. Mr. Baines on Sunday, July 14. A social gathering is planned.

## Rotary Barbecue Slated August 17

The annual Rotary Club Chicken Barbecue will take place Saturday, August 17. The date was announced today by general chairman William H. Palmer.

As usual, the barbecue will take place on the spacious lawn of the Beatty Farm on Hurley avenue. Further details will be announced but the public is invited to purchase tickets.

Last year over 600 persons were served. It is anticipated that the number will be larger this year. Members of the Rotary do all of the necessary work and if any funds are left over they are used to help support some of the community projects aided by the club.

## Club Notices

Past Councilors Club

Past Councilors Club will hold a picnic meeting Tuesday, 6 p. m. at the home of Mrs. Burton Giles, 100 Boulevard.

About one third of all passengers between London and Paris travel by air.

## Kiwanis, City Scenes to Be on Canadian TV

A portion of Thursday's meeting of the Kiwanis Club was filmed by the Canadian National Film Board to be used during a television program in that country this fall.

Heading the crew of technicians here from Canada were Fergus McDonnell, director; Richard Gilbert, assistant director, and David Haber, location manager.

The half-hour program, "The Two Kingstons," will highlight the similarities and differences between Kingston, Ontario, Canada, and Kingston, N. Y. It will be one of the "Perspective" series to be presented over the Canadian National Television Network by the Canadian government.

## Crews Here Now

Other scenes in this city are being taken by the camera crew, which arrived here last week and will remain until about the middle of next week.

The two Kingstons were chosen because of the outstanding work in the field of U. S.-Canada goodwill accomplished over the past five years by the Kiwanis Clubs in both cities, which exchange visits each year. In May of this year, 17 members of the Ontario club made the trip to this city to attend a Kiwanis meeting. The filmed portion of Thursday's meeting at the Governor Clinton Hotel shows the local Kiwanians during opening ceremonies singing "God Save the Queen" for their Canadian visitors.

Also at Thursday's noon meeting George J. Silkworth and Chester A. Baltz Jr., gave brief reports on the 42nd annual convention of Kiwanis International at Atlantic City, which they attended as delegates from the local club. President H. Van Wyck Darrow presided at the meeting.

## ANG Clears Way For Creation of U. S. Wire Local

St. Louis, July 12 (AP)—The American Newspaper Guild has cleared the way for creation of a nationwide wire service local.

By a voice vote last night the Guild at its 24th annual convention approved changes in the Guild constitution to permit organization of the local, which would include all Guild members employed by news wire service.

## N. Y. for Alternate

The controversial proposal was debated heatedly on the convention floor. An alternate proposal to create a wire service division of the Guild was defeated, 235 to 192 in a roll call vote, although the New York Guild cast all its 80 votes for the alternate plan.

The constitution changes had been recommended by the union's international executive board, which voted 8-7 last February to authorize the wire service local.

A constitutional assembly with regional representation will be called next December by the Guild's National Wire Service Council to organize the local.

Under the alternate proposal, wire service Guildsmen would have remained members of locals in cities where they are stationed but a new division would have been set up to handle such matters as collective bargaining.

## Hike Out to Safety

Lake Placid, N. Y., July 12 (AP)—Two teen-agers, missing overnight on Mt. McKenzie in near-freezing temperatures hiked out to safety today. State police and forest rangers had set out with bloodhounds to find them. Henry O. Marcy, 19, and Carmen Picard, 18, told troopers they climbed to the top of the 3,800-foot mountain during the night they began the descent at daybreak and followed a stream downward until they reached a Sand and Gravel Co. pit on Route 3, they said.

## Carol Culjak Weds Leonard Whitten

Mr. and Mrs. Angelo Culjak of 235 Hasbrouck avenue announce the marriage of their daughter, Carol Ann to Leonard Miles Whitten of Accord, son of Mrs. L. Whitten of Accord and William Whitten of Rosendale.

The ceremony was performed by Mayor Frederick H. Stang in his office Saturday, June 22.

Attendants were Mrs. James Castle, the bride's sister and Joseph Whitten, brother of the bridegroom.

## Former Roomer Held for Arson

Ithaca, N. Y., July 12 (AP)—A 38-year-old man is charged with first-degree arson in a fire that destroyed a house where he once roomed.

Curtis C. Knapp was arrested yesterday. He waived examination when arraigned before Peace Justice Harry Spaulding and was ordered held for grand jury action.

The fire Wednesday night destroyed the two-story, seven-room house about 1 1/2 miles north of Ithaca, owned by Mr. and Mrs. Ralph Weisberger. They escaped in night clothing.

State police said Knapp lived with the Weisbergers for two years but moved out a month ago after a dispute. Troopers said he admitted in a signed statement that he had ignited kerosene in a fuel supply at the rear of the house.

## Wedding Off Due to Death Of Aga Khan

Geneva, July 12 (AP)—Prince Sadrudin Khan postponed his wedding to London model Nina Dyer for six weeks today because of the death of his father, the Aga Khan.

Sadrudin, 24, was to have married Nina, 27-year-old former wife of steel tycoon Heinrich Von Thyssen, at Geneva next Monday. The Aga died after a heart attack yesterday at the age of 79.

Sadrudin said in a press statement: "Owing to the painful loss which suddenly befell the family, Prince Sadrudin Aga Khan and Miss Nina Sheila Dyer have postponed their marriage ceremony till August 27."

There was still no official word on who would succeed to the Aga's spiritual leadership of 20 million Ismaili Moslems, or where the Aga would be buried.

Sadrudin and Prince Aly Khan, the Aga's two sons, are considered in the running. Aly, 46, formerly was married to Rita Hayworth, a film actress.

A family spokesman said that before his death the Aga "entrusted the secret of his succession to a noble person, who will reveal it in due course."

## Not Impressed by Reds

Hong Kong, July 12 (AP)—American Donald J. Blackwood, his South Korean wife and their child came back today from a 2 1/2 month visit to Red China. The 25-year-old former GI said he took his family from the nearby Portuguese colony of Macao to the Communist mainland "of my own free will and accord with the desire to see the country and intention of learning more about the Chinese people. But, he said, he didn't see much and what he saw didn't impress him.

## Ingrid Very Happy

Rome, July 12 (AP)—Ingrid Bergman beamed and said "it's the happiest day of my life." Jenny Ann Lindstrom, her 19-year-old American daughter, added "I'm extremely anxious to meet my brother and two sisters." Ingrid and Jenny Ann arrived from Paris. A University of Colorado coed, Jenny Ann is spending her first visit with her mother in six years.

## Actor Struck in Eye

Dinard, France, July 12 (AP)—Actor Tony Curtis was struck in the eye by an arrow today during a movie scene depicting 150 men storming the English coast. An eye specialist expressed belief the eye could be saved. Part of the film, "The Vikings," is being shot at a castle on the French channel coast because a suitable castle could not be found in England.

# Mackey's Home Run in 7th Defeats Ertel for Nadler's, 2 to 1

## Ulster Electric Trims Eagles, 11-5, in Nightcap

Pitcher Jim Mackey smashed a game-winning home run to beat Fred Jenny in a battle of one-hitters last night as Nadler Motors won their third straight and stayed unbeaten in the City Baseball League with a 2-1 triumph over Ertel Engineering in the first half of a doubleheader at Dietz Stadium.

In the nightcap, Ulster Electric Supply Co. kept pace with the Motormen by whipping the Kingston Eagles, 11-5.

Mackey's circuit came in the bottom of the seventh and ended a tense duel with Jenny. The payoff clout, of course, not only sent Jenny down to a heart-breaking defeat but also spoiled his no-hit bid.

**Hobart Spoils Bid**  
Mackey also had a no-hitter working going into the last frame. Don Hobart broke the spell with a clean line drive single to right.

Naturally, both teams scored the other runs in the game without help of a hit. In the fourth, Mackey passed Roy Rhodes and he later scored on a bad throw on the end of a fielder's choice.

League Standings	
	W L
Nadler Motors	3 1
Ulster Electric	2 1
Kingston Eagles	1 1
Jones Dairy	1 1
Ertel Engineering	0 3

Nadlers got their tally in the second in about the same fashion. Bill Haver scored it after walking and stealing second. On a short dribbler in front of the plate, Haver made it home on some heads-up base-running when Jenny dropped a toss from first baseman George Uhl.

Mackey fanned nine to four for Jenny. In the walks department, Jenny had the better of it, passing just two to five for his rival.

Joe Acker hurled the victory for Ulster Electric, although he had to have some relief help in the final frame. Acker had a tidy two-hitter going, but gave away when a sore muscle began to pain him in his pitching arm. Acker had been hit by a pitched ball earlier in the game.

**Marable Hit Hard**  
Ted Marable was roughed up right off the bat by the Ulster club. He was tapped for two first inning runs featured by Joe Benjamin's double.

Another pair crossed over in the second on Tony Gallo's single. Jim Merceda's triple and a ground out.

Ulster got another in the fifth before wrapping things up in the sixth with a big half dozen. Three singles, a trio of walks and an outfield error did the damage in the big round.

Eagles got their first two runs in the fifth, but both were unearned. In the seventh they looked like they might stage a serious rally, but were set down by Merceda who came in to relieve Watzka after Acker had given way. Walks paved the way for the Eagles scores, but Merceda, after giving a scratch single to Mel Williams, snuffed out the rumpus by getting three outs in a row.

New week's schedule:  
**TUESDAY**—Nadler vs. Jones Dairy, 8:45 p. m.  
**THURSDAY**—Ulster Electric vs. Ertel, 6:15; Kingston Eagles vs. Nadler's, 8:45.

## Flam Gains Semis In Nassau Tennis

Glen Cove, N. Y., July 12 (AP)—Top seeded Herbie Flam of Beverly Hills, Calif., squared off against National Junior champion Chris Crawford of Piedmont, Calif., today for a place in the semi-finals of the Nassau Bowl Invitation grass court tennis tournament.

The other quarterfinal match sent Canadian David Copperdon to a bye against Henry Van Rensselaer of Greenwich, Conn., who upset Eddie Moynan of Trenton, N. J., Wednesday.

The other half of the semi-final bracket was filled yesterday when second seeded Dick Savitt of East Orange, N. J., downed Warren Gingsras, Turners Falls, Mass., 6-0, 6-0 and Billy Talbert, New York, 9-7, 6-3 and Gil Shea, Los Angeles, eliminated Mike Green, Miami Beach, Fla., 6-1, 6-3.

**Hits 200 MPH Speed**  
Canandaigua, N. Y., July 12 (AP)—Donald Campbell, British speedboat king, hit speeds of 200 miles an hour in a secret test run of his Bluebird II on Canandaigua Lake today. This was 25.36 miles an hour short of the world record Campbell established in England last September. Campbell alerted his crew at 5 a. m. that he would make the test run. He entered the jet-powered boat at 6:55 a. m. He said the object of the run was to see whether perfect control conditions could be achieved early in the morning.

**Cutting Action**  
Virginia Beach, Va. (AP)—Faced with a big budget problem the mayor and city council here eliminated their own salaries—\$900 for the mayor, \$600 each for councilmen. Budget is still \$114,692 higher than last year.

**CLEARING THE BASEPATHS**—St. Louis shortstop Al Dark fires ball past sliding Giants' Whitey Lockman to first for double play in fourth inning of Polo Grounds game. Whitey was forced at second when Willie Mays grounded to Don Blasingame, background, who flipped to Dark. Giants beat league-leading Cardinals, 1-0. (AP Wirephoto)

**Schenectady Sweeps Pair From Springfield**  
Schenectady got off to a pair of jack-rabbit starts in last night's doubleheader at Springfield.

The Eastern League leaders grabbed three runs in the first inning of the opener and two in the initial frame of the nightcap. They swept the twin bill 4-3 and 6-1.

In other action, visiting Syracuse, sparked by the hitting of Jim Tolson and Andy Rellick, pounded the Albany Senators 8-3 while the Binghamton Triplets edged their Reading hosts 4-3 with the aid of two home runs.

## Yankees Sign Schoolboy Hurler

Kansas City, July 12 (AP)—Rudy Serrett, a 17-year-old left-handed pitcher, has been signed to a contract by the New York Yankees, it was announced here last night.

Serrett was an outstanding pitcher at Flushing (L. I.) High School where he had a 5-2 record, allowed only one earned run and averaged 15 strikeouts a game.

Serrett will join the Yankees here tomorrow. However, he is not a bonus player. The signing of the youngster brings the Yankees back to the maximum of 25 men.

## JC Masterpiece

Herb Shultz pitched a sparkling one-hitter to blank the Crows for the Hawks, 4-0, yesterday in the Jaycee Little League.

Shultz struck out 13 and walked three. James Moore got the only hit off him.

Have parsley very dry before mincing if you are planning to sprinkle it on a dish as a garnish.

## Excitement Galore

# Never a Dull Moment These Days in NL Pennant Scramble

(By The Associated Press)

Think that was a torrid first half of the season in the National League? Well, you ain't seen nothin' yet, pal, what with a player feud, a couple of no-hit bids and injuries to key players popping up in the break away for the final run to the pennant.

Taking the happening one at a time:

1. Cincinnati's Don Hoak vowed "I'll get that Neal before this series is over, either on or off the field," while still riled up after being tagged with an "ambush" right hand from Brooklyn's Charlie Neal in the second of two fights last night at Ebbets Field. The Dodgers won it 5-4 on the second of Duke Snider's pair of two-run homers after Brooklyn's Jim Gilliam and Cincinnati's Raul Sanchez set off a big seventh inning brawl when Gilliam was low-bridged by a Sanchez pitch.

2. After Chicago's Bob Rush had no-hit Philadelphia for seven innings only to lose 1-0 in 11 innings, rookie Jack Sanford set down the Cubs with 7 1/3 innings of perfect ball for his 11th victory, 3-1, and a two-night sweep that hoisted Philadelphia into second place. The Phils, however, again lost catcher Stan Lopata, this time with a wrenched knee.

3. Milwaukee, slipping from second to third (one percentage point behind the Phils) despite a 7-2 victory at Pittsburgh, lost shortstop Felix Mantilla and center fielder Billy Bruton in a fielding collision.

4. Southpaw Johnny Antonelli five-hit St. Louis to win 1-0 as the New York Giants shaved the Cardinals' first place edge to two games and ended their winning streak at five games.

In the "drab" American League, Mickey Mantle's 23rd home run gave the first place New York Yankees a 3-2, 11th inning victory at Kansas City and a 3 1/2 game lead over Chicago's White Sox, beaten 6-5 by Washington. Third place Boston went 10 innings to beat Detroit 9-7.

And Baltimore jumped from sixth to fourth with a pair of 5-4 decisions over Cleveland, the first in 11 innings.

The opener of a three-game set against Brooklyn also found Cincinnati Manager Birdie Tebbets making the point-blank statement that "every Brooklyn pitcher has orders to dust off a batter when the count is two strikes and no balls."

Brooklyn Manager Walt Alston denied it, but it set up prospects for a dandy battle tonight at Jersey City where Hal Jeffcoat of the Redlegs and Dodger Don Newcombe—a couple of tough guys—are the probable starters.

Snider's clouts, his 17th and 18th of the season, twice brought the Brooks from behind. The first came in a three-run fourth that chased starter Brooks Lawrence. The other was off Tom Acker, who lost it after replacing Sanchez—booted out of the game along with Neal, Gilliam and Hoak. Roger Craig won it in relief.

A sixth-inning home run by rookie Valmy Thomas won for the Giants, breaking up a double two-hit shutout duel between Antonelli, now 8-7, and bonus whiz Lundy McDaniel (8-5).

Yogi Berra's seventh-inning homer gave the Yankees a 1-all tie and Harry Simpson, late of the A's singled home the run that made it 2-2 in the ninth to set up Mantle's swat. The Yankees now have won 12 in a row from Kansas City, 12 this year.

**Gomez 7-5 In Perez Go**  
Cleveland, July 12 (AP)—If he can beat featherweight Harold Gimes in their 10-round lightweight battle tonight, Lulu Perez says he will be on his way toward the lightweight title.

"I win my last two starts in a 'breeze,' said the peppery Perez, and if I win this one I'll be startin' a drive toward the light title."

Gomes, a Providence, R. I., featherweight who frequently goes against heavier fighters to get more bouts, is a 7-5 favorite to beat Perez.

The role of favorite stems partly from his knockout triumph over Bobby Rogers of Chicago last April in Gomes' only television appearance.

The fight will be held at a factory Recreation Hall in suburban Euclid. It will be televised and broadcast nationally (NBC) starting at 10 p. m., Eastern Daylight Time.

## Handicap Division Pairings Set for Wiltwyck Title Play

### Ferraro Hits Another

Mike Ferraro smashed his fourth homer of the season to help pace the 156th FAB Red Sox to a 17-9 victory over the Lions Club Yanks yesterday in the American Little League.

Wayne Elmendorf and Carl Weigert doubled for the winners to aid in a 14-hit attack. Dan Ryan chipped in with a triple.

**League Standings**  
Red Sox ..... 2 0  
Giants ..... 1 1  
Dodgers ..... 1 1

## Recreation Softball Roundup

## Trailer Haven Romps, 29-0; Smith of Hurley Tigers Drops No-Hit Game, 6-3

In the most one-sided game in many a moon in Recreation Softball League play, Trailer Haven pummeled Ten Grand Tavern, 29-0, to feature action last night.

In other games, Veterans of Foreign Wars trampled Krovan's, 13-4, Chappie's Taxi downed Hercules, 9-2, and Downtown S & A struggled to a 13-13 tie with Bullock's.

Charlie Marable and Vince Hart led the Trailer Haven slaughter with two homers each. Bill Martin connected for one round tripper. Marable also socked two singles and walked twice for a perfect night.

Willie Cragan and George Norton also chipped in with four hits. Included in Cragan's bag of blows was a triple and double while Norton socked three two-baggers.

**Sinabough Breeze In**  
Bill Sinabough breezed in behind the barrage which totaled up to 29 hits. Sinabough spun a neat seven-hitter and hurled a walkless contest. Otto Avery got the lone extra base hit off him, a double.

Chappie's captured its 12th victory against three setbacks as Bud O'Dea fired a tidy three-hitter. O'Dea fanned seven.

Nick Hahn walloped a grand slam homer to make things easy for O'Dea. Bernie Schlanger weighed in with a triple and double. O'Dea and Duke Freer collected doubles as the visitors got 10 hits altogether.

**Cyrus Tosses 2-Hitter**  
Jim Cyrus, the controversial VFW twirler, spun a strong game to set down Krovan's. In his last start he left after one inning after a rhubarb with the umpires over illegal pitches. Apparently Mike Milano, yesterday's ump, didn't see anything wrong in his deliveries and Cyrus responded with a fine two-hitter, striking out nine.

Bob Edge literally stole the game away from Krovan's, swiping home three times in four attempts. Joe Murkoff was the hitting star with a triple, which scored three runs. Edge, Monk Richards, Phil Grommoll and Herb Wolf banged doubles.

**Darkness Halts Tilt**  
S & A scored four times in the first half of the sixth to go ahead for the third time in the game, but Bullock's came back with a solo run in its half to deadlock things at 13-all and then the contest was called because of darkness.

Don Slater's two steals of home featured the sea-saw affair. Goldman of Bullock's was the hitting star with four safeties.

Lou DeCicco, Perc Greene and Thomas smashed home runs.

## Taffy Hanover Easy Winner at Yonkers

Yonkers, N. Y., July 12 (AP)—Taffy Hanover, the 1-to-2 favorite owned by the Tambe Farm of Glen Head, N. Y., and driven by Sam Caton, led all the way to take last night's featured Hudson Stake Filly Trot before 10,172 at Yonkers Raceway.

The winner scored by three-fourths of a length over Prom Trotter. Minka was third in the four-horse field.

## Yesterday's Stars

(By The Associated Press)

## Pitching

Johnny Antonelli, Giants—Struck out five, walked two and gave up only five hits to beat Cardinals 1-0 and end National League leaders' winning streak at five games.

## Hitting

Duke Snider, Dodgers—Walked a pair of two-run homers to twice overhaul Redleg leads in 5-4 victory.

## Braves Bow

## Dodgers

## EK Victors

Dodgers trimmed Braves in Glasco-East Kingston Little League yesterday.

Bob Brink and Butch Marino combined for a fine three-hitter.

Brink was the winner, striking out six and walking three. Marino fanned two and walked one.

Gene Kitchart was tapped for nine hits in absorbing the loss. He whiffed eight and issued four free tickets.

Doubles were struck by Marino (two), Brink, Roger Lindhurst, John Crispino and Frank Serravalle.

Strikeouts—Wynn, Cleveland, 106;

## Strange Things Are Happening

## Smith of Hurley Tigers Drops No-Hit Game, 6-3

John Hammond struck out 12 batters in four innings of brilliant relief pitching as the Hurley Little League Red Sox downed the Tigers, 6-3, yesterday.

But the big story was a no-hitter pitched in a losing cause by the Tigers Bruce Smith. Nine walks and a raft of errors caused Smith's downfall. He fanned 10.

## League Standings

W.	L.
Red Sox ..... 2	0
Dodgers ..... 1	0
Giants ..... 0	1
Yanks ..... 0	1
Tigers ..... 0	1

Hammond and starter Chet Krom limited the Tigers to two hits. Tony Morris got both of them.

**FRIDAY—Dodgers vs. Yanks.**

## Met Golfers Gain

## Semis of State Women's Event

Briarcliff Manor, N. Y., July 12 (AP)—Four golfers from the metropolitan area, to whom winning championships is no novelty, meet today in the semifinals of the New York State Women's title event at the Briar Hall Country Club.

Judy Frank of Purchase, N. Y., holder of the metropolitan title the last two years, meets Mrs. Mortimer May of Neponsit, state champion in 1938, in one match.

The other brings together Mrs. Reinert M. Torgerson of Forest Hills, titleholder five times running starting in 1946, and Mrs. Bruce McGhie of Chappaqua who as Barbara Bunning won the state crown three times (1951-52-54) before retiring from the game for over two years.

## Battle to End

Three of yesterday's quarter-final matches carried to the final green, Miss Frank, who eliminated medalist Mrs. Barbara Freeman of Manhasset in the first round, needed a birdie 4 on the 18th to defeat Carol Beinbrink of Stoney Brook 1 up.

Mrs. McGhie also dropped a putt for a birdie 4 on the final hole for a 1 up victory over Mrs. Philip Allen of Syracuse, who as Virginia Guilfoil was the 1941 titlist.

Mrs. Torgerson never trailed after squaring her match with Mrs. William Stockhausen of Garden City on the third hole, winning 2 up. Mrs. May eliminated Mrs. Sophie Untermyer of Harrison, 2 and 1.

## 3,387 Books Circulated

Mrs. Vera Mack, librarian in the elementary department of the Sauerberties Central Schools System, reports a circulation of the past school year of 7,267 books, 120 magazines, making a total of 7,387.

Bunning, Detroit, 93; Pierce, Chicago, 86; Fornieles, Boston and Maas, Detroit, 70.

Administrative Assistant

## NOTICE OF SALE

STATE OF NEW YORK SUPREME COURT, ULSTER COUNTY  
Case No. 27329  
KENNETH FITZGERALD, Plaintiff, vs. RICHARD FITZGERALD and HOMESSEKERS SAVINGS & LOAN ASSOCIATION OF KINGSTON, N. Y., Defendants.

In pursuance of an interlocutory judgment of partition and sale herein, duly made and entered in the above entitled action, hearing date the 7th day of June, 1957, the undersigned the Referee in said judgment named will sell at public auction at the front door of the Ulster County Court House in the City of Kingston, New York, on the 18th day of July, 1957, at 12 o'clock noon of that day, the premises directed by said judgment to be sold and therein described as follows:

ALL THAT PIECE OR PARCEL OF LAND with building thereon, situated at Garden Street, Third Ward of the City of Kingston, County of Ulster, and State of New York, bounded and described as follows:

BEGINNING at a point, the intersection formed by the northwesterly street line of Garden Street with the southwesterly street line of Smith Avenue; thence along the southwesterly street line of Smith Avenue north 40 degrees 49 minutes west 85.45 feet to a point, an iron pipe driven in the ground at the corner of lands belonging to Henry J. and Mary N. Bruck; thence along Bruck's southeasterly boundary south 42 degrees 32 minutes west 55.00 feet to a point; thence south 40 degrees 53 minutes east 85.50 feet to a point; an iron pipe driven in the ground, in the northwesterly street line of Garden Street; thence along the northwesterly street line of Garden Street north 41 degrees 25 minutes east 55.00 feet to the point and place of beginning.

BEING the same premises conveyed by Kenneth Fitzgerald to Kenneth Fitzgerald and Richard Fitzgerald, as joint tenants, not as tenants in common by deed dated September 26th, 1953, and recorded on the 5th day of October, 1953, in Liber 811 of Deeds at page 209, Ulster County Clerk's Office.

The property will be sold subject to a mortgage of \$2,831.50 with interest at the rate of 5% from the 1st day of June, 1957, held by the Home Seekers' Savings & Loan Association of Kingston, N. Y.

## 'Live Happily'

capacity for 12 years. He later was employed on the West Shore Division of the New York Central and retired at the age of 60. After that Mr. Griffin spent his time carpentering.

"It's a wonderful world if you live it right," Mr. Griffin observed philosophically, although he's convinced that modern day conveniences have made people "too soft."

## His Routine

How do you live to see 99 candles on your birthday cake? Mr. Griffin's formula has been a simple one.

"I take care of myself; never eat too much; never drink too much and never stayed out late at night."

His appetite is a sturdy one and "I eat everything. I'm not finicky." He admitted that buttermilk is his favorite beverage, "although I do take a can of beer, perhaps once a week. My appetite is too darn good."

Mr. Griffin said he arises between 6 and 7 a. m. daily and he retires "any time I feel like it after supper."

"I listen to the radio a lot because television hurts my eyes."

He takes an afternoon nap daily following lunch and frequently hoes the garden and trims bushes around the farm, "but the thing I miss most is hunting and fishing."

Mr. Griffin takes a dim view of modern day travel, music and singers.

"Anybody who goes 10 rods

## LEGAL NOTICE

## NOTICE OF SALE

NEW YORK STATE THRUWAY  
AUTHORITY in accordance with  
Article 2, Title 9 of the Public  
Authorities Law.

Sealed offers for the purchase of used automobiles for the Thruway Authority in accordance with information contained in the Notice of Sale No. 37, dated July 8, 1957, and the bid form supplied will be received by the New York State Thruway Authority at the office of the Director of Purchasing at the Thruway Headquarters Building, Delaware Avenue Plaza, Elmsire, New York (Mailing Address: P. O. Box 189, Albany, New York) until 3:00 P. M., Eastern Daylight Saving Time on Monday, July 29, 1957, when they will be publicly opened and read. Each offer must be made upon the form provided therefor and shall be accompanied by a certified check made payable to the New York State Thruway Authority in the sum of 10% of the total amount of the offer as a guaranty that the bidder will enter into the contract if it be awarded to him. Offers that carry any omissions, erasures, alterations or additions may be rejected as informal. The Authority reserves the right to waive any informality in, or reject any or all offers. Forms may be obtained free of charge from the Thruway Authority at the above address or at the following Division offices:

Buffalo Division Headquarters  
12 South Cayuga Road  
Williamsville, N. Y.

Syracuse Division Headquarters  
Thompson Road, Box 656  
East Syracuse, N. Y.

New York Division Headquarters  
96 White Plains Road  
Tarrytown, N. Y.

HOLDEN A. EVANS, JR.  
General Manager

any more has to have a car. I remember when I used to walk six miles one way to a dance," he said nostalgically.

## Old Songs Best

"This modern music is no good. The old songs were the best. They had music in them time and all this hollering and yelling these singers do today."

He was born the son of Harry and Catherine Smith Griffin. His wife, Annie Gossio Griffin, died in 1937. They were the parents of five children, three of whom are dead.

Still living is a son, Ralph Griffin of Liberty, and Mrs. Beatty.

A brother, Delbert, was an architect who designed the vocational building at Kingston High School.

Illness has never bothered Mr. Griffin too much. "I never was sick to amount to anything but once and that was when I had the fever. Then I was really sick."

It has been a hardy and full 99 years for Mr. Griffin who, as a youngster of four years old, remembers the end of the Civil War, "as though it was yesterday."

He recalled that end of the war was celebrated "by filling blacksmith's anvils with powder and setting another anvil on top of it. Boy, how they'd shoot up."

"They had blacksmith shops every little ways in those days."

Mr. Griffin recalled with a fondness he told of working a team of oxen on the farm in his boyhood days.

If there is to be a birthday cake tomorrow in celebration of his 99th year Mr. Griffin didn't know, although Mrs. Beatty's smile in answer to the question indicated there would be.

"If there's any left, stop around and we'll make sure you get some of it," Mr. Griffin smiled invitingly.

It was easy to realize that his broad smile has been a big factor in reaching his 99th birthday.

## County . . .

There also were guests from Orange and Sullivan counties.

## Kilmer Praises Work

President Kilmer thanked the members of Ulster Hose and all committees for their work in planning and putting on the convention, mentioning William Fischbach, general chairman of the convention arrangements.

This evening the business session will be held at the Ulster Hose No. 5 firehouse, and the 22nd annual convention will come to a close Saturday with a parade. At this evening's session there will be a speaker from Albany.

## Hell Drivers Tonight

At the Thursday evening session the West Hurley Fire Company was presented with a radio and John F. Jones of Highland was given a TV set.

This evening and Saturday evening a spectacular show, Al Krom's Hell Drivers, will be presented at Dietz Memorial Stadium at 9 o'clock under auspices of Ulster Hose Company, No. 5, for the benefit of the entertainment fund for the convention. The public is invited.

## Storm Aftermath

## Sightseers, Job Seekers Pose Threat

Cameron, La., July 12 (AP)—A new flood of sightseers and itinerant job seekers is causing threat of another road block between devastated Cameron and the outside world.

## Toll Now 491

Sheriff O. B. Carter told of the possibility yesterday as the total of dead and missing from hurricane Audrey mounted to 491 and a "Cameron parish disaster fund" was announced.

Carter said clogged roads are slowing down trucks bringing equipment for rebuilding the destroyed area.

Many cars, he said, bring people who want a look at the hurricane's destruction and others brought men seeking building jobs in Cameron.

Carter said none of the job-seekers would be hired. He said contractors would use Cameron residents and people sent by the state employment service.

The road from Cameron was blocked a few days after the hurricane hit June 27. Deputies allowed only persons with official passes to drive down the road. The flood of sightseers and itinerant workers began when the restrictions were relaxed.

320 Bodies Found

In Lake Charles, Calcasieu Parish Sheriff Henry Reid said 320 bodies have been recovered and 171 persons are reported missing. Reid is keeping the official figures.

The Louisiana civil defense director, Maj. Gen. Raymond Hufft, announced formation of a foundation to administer relief funds for the area.

The foundation, headed by a committee of Cameron Parish civic leaders, will not solicit funds, Hufft said, but will accept contributions from all sources and see that the money is used in the way Cameronites think best.

First Bridge Suicide

Tarrytown, N. Y., July 12 (AP)—Mrs. Sheila Rosen, wife of concert pianist Joel Rosen, jumped to her death from the Tappan Zee Bridge yesterday. It was the first suicide on the span since its opening 19 months ago, state police said.

Mrs. Rosen, 31, left her home at (50 Park avenue) Ardsley, N. Y., at noon, telling her husband she was going shopping. She headed west in a convertible and stopped the car in the middle of the bridge.

Three men in a laundry truck behind her saw her walk to the three-foot railing. The men, Ronald Dubiel, John Mulhearn, and Richard Manners, ran to stop Mrs. Rosen, but were not in time to prevent her 168-foot plunge into the Hudson river.

Fatal Blast

New York, July 12 (AP)—Normal operations were resumed today at a bank and office building next door to the New York Stock Exchange where a fire and explosion yesterday killed one person and injured three others.

A dozen people were trapped in stalled elevators and 12 firemen suffered smoke poisoning. Many of the 3,000 workers in the building in the Wall Street district fled as dense smoke seeped up stairways and elevator shafts and the lights went out. Firemen and policemen with flashlights led some of them to the street.

It was reported the write-in campaign stemmed from a feeling of the selection of a supervising principal, Merton Blanchard, principal of the Marbletown Central School, was named last week to the post of supervising principal of the Rondout Valley District. Roland Riegel, principal of Kerhonkson High School, had been acting supervising principal and had been prominently mentioned for the post of supervising principal of the district. Mr. Blanchard was elected by a 5 to 4 vote.

## Port Ewen Firemen Meet Saturday, 4:30

Members of the Port Ewen Fire Company are requested to meet at the New York State Armory, Manor avenue, Kingston, at 4:30 p. m. Saturday.

They will form at that time for the annual Ulster County Volunteer Firemen's Association parade, culminating near the Chambers School, town of Ulster.

GI Confident

he needed any more help from his American lawyers.

He replied he didn't think so, "it looks to me like they've done all they can do."

Asked whether he thought the court fight to have him brought back to the United States was worthwhile, he said:

Hopes for Fair Trial

"Yes, with all them people back there fighting for me."

Then he added: "I was following orders from my brother. How I felt about it didn't make any difference."

Asked about the high court's ruling, Girard said he had "no comment on the way it went."

Girard told reporters "I am hoping to get a fair trial" in the Japanese court.

Trial Set Aug. 26

His army legal adviser, Maj. Stanley Levin of Hollywood, Calif., was asked earlier if Girard expects a fair trial and gave this reply: "He might not put it just that way but you can say that."

At Maebashi, where Girard will be tried, District Court Judge Juzo Kawachi announced he will open the trial at 10 a. m. Aug. 26 (8 p. m. EST, Aug. 25).

He said other sessions will be held Sept. 6, 7, 13, 14 and Oct. 4.

Party's Choice in 1947

In 1944 Mr. Hall became director of the speaker's bureau of the Republican National Committee during the first Dewey presidential campaign. In 1947 he was elected chairman of the National Republican Congressional Committee, a post he held until after the election of the Republican 83rd Congress.

In 1952 Mr. Hall was one of the top strategists for Gen. Eisenhower's campaign. Aboard Mr. Eisenhower's "Look Ahead, Neighbor" campaign train, he coordinated schedules, programs and arrangements and maintained liaison with Republican National Campaign Headquarters in Washington.

Mr. Hall is married to Glady Dowsey Carroll, daughter of James Leo Dowsey, a long-time Nassau county Republican leader. Mrs. Hall has two children by a previous marriage.

## OUR BOARDING HOUSE... with... MAJOR HOOPLE

No matter how humble, have a home of your own.

7. A little love and affection, as you used to display during your courtship days, will prevent many petty quarrels.

8. Husbands must keep in mind that running the household is a tough, tiresome, and tedious job. Be considerate and overlook the wife's "nerves."

9. Keep respect for each other. When respect goes, love vanishes.

10. Protect the home with love insurance by having as many children as you can afford.

The two beginners were playing golf. The next green was 300 yards away over numerous hazards.

One shut his eyes and took a lusty swing. By freak of a chance he connected with the ball and sent it sailing for the green. It bounded directly into the cup for a hole in one.

First Beginner (awed)—You've made a hole in one.

Second Beginner (bragging)—I'll wager two to one I could do it again.

First Beginner (grunting)—Okay, it's a wager—but on one condition.

Second Beginner—Sure. What's the condition?

First Beginner—This time you've got to make the shot with your eyes open!

Sweet young thing to ski salesman: "But what makes them go?"

**Play Safe While You Drive!**

Keep alert—chew gum

Avoid traffic jitters and driving drowsiness. Chew gum while you're behind the wheel. Chewing helps relieve strain and tension—helps keep you feeling fresh and alert for safer driving. Chew any brand of

gum you like but chew while you drive. Naturally, we recommend refreshing, delicious Wrigley's Spearmint Gum—for lively, satisfying flavor and real chewing enjoyment.

## TIZZY

By KATE OSANN

"If you had your choice of being a movie star or a woman scientist, which movie star would you be?"

## NOT A BRIDE IDEA

His proposal swept me off my feet.

I was easy to convince. But I landed in the kitchen. And I've been there ever since.

—Mrs. Anna Herbert

Onlooker (patting hero on back)—It was grand of you to dive from that height fully

clothed, to effect such a magnificent rescue.

Hero—That's all very well, but what I want to know is, who pushed me in?

Twelve cities built of stone and mortar were erected by Indians in the Chaco Canyon of New Mexico between 800 and 1200 AD.

## The Weather

FRIDAY, JULY 12, 1957

Sun rises at 4:30 a. m.; sun sets at 7:32 p. m., E. S. T. Weather: Fair.

### The Temperature

The lowest temperature recorded on The Freeman thermometer during the night was 55 degrees. The highest figure recorded up to noon today was 79 degrees.

### Weather Forecast

NEW YORK CITY—Fair and more humid tonight, low near 70. Saturday, partly cloudy, warm and more humid with high temperature well up in the 80's except near 80 along the ocean. Southerly winds 15 to 20 MPH this afternoon, falling off to about five MPH tonight and picking up again to 15 to 20 MPH by Saturday afternoon. Visibility generally over five miles except two to four miles in haze early Saturday morning.

OUTLOOK: Sunday, partly cloudy, warm and humid chance of showers late in the day; Monday, fair and not as warm and humid.

### THUNDER STORMS EXPECTED

EASTERN New York: Variable cloudiness and warmer to night and Saturday with a few widely scattered showers or thundershowers this afternoon and tonight becoming more numerous Saturday. Highest temperature today between 75 and 82 in the north and west and between 80 and 85 in the southeast portion. Lowest temperature to night in the upper 50s and lower 60s and highest Saturday in the 80s.

### Temperature Table
